**ASSIGNMENT OF WORLDWIDE RIGHTS**

**WHEREAS**, we, William A. Millman, a citizen of Great Britain, residing at 229 Dartmouth Road, Paignton, Devon TQ4 6LG, United Kingdom; Ed Jackson, a citizen of the United States, residing at 22 Vines Road, Saco, Maine 04072; James Steven Bates, a citizen of the United States, residing at 254B Bradley Street, Saco, Maine 04072; and John Galvagni, a citizen of the United States, residing at 1925 Laurel Park Highway, Hendersonville, North Carolina 28739; as assignors, have made an invention entitled

**HERMETICALLY SEALED WET ELECTROLYTIC CAPACITOR**

as described in a patent application for U.S. Letters Patent bearing U.S. Serial No. 12/, which was filed in the U.S. Patent and Trademark Office on November 1, 2010; and

**WHEREAS**, AVX Corporation, One AVX Boulevard, Fountain Inn, South Carolina, 29644-9030, as assignee, is desirous of securing the entire right, title and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

**NOW, THEREFORE**, be it known that for good and valuable consideration the receipt of which from assignee is hereby acknowledged, we, as assignors, have assigned, transferred, and set over, and do hereby assign, transfer, and set over unto the assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention and this application, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of such applications, and all applications for Letters Patent which may hereafter be filed for this invention in any foreign country and all Letters Patent which may be granted on this invention in any foreign country, and all extensions, renewals, and reissues thereof, and we hereby authorize and request the Commissioner for Patents of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to assignee, its successors and assigns, in accordance with the terms of this Agreement.

**AND, WE HEREBY** covenant that we have the full right to convey the interest assigned by this Assignment, and we have not executed, and will not execute any agreement in conflict with this Assignment;

**AND, WE HEREBY** further covenant and agree that we will, without further consideration, communicate with assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title of this invention in said assignee, its successors and assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the assignee, its successors and assigns.
