ASSIGNMENT

**WHEREAS**, Peter Brian Bruehl, Scott Gregory Pockat and Aaron John Wallander, hereinafter called the "Assignors," have invented new and useful "**EASY-OPEN PACKAGE**," a full description of which reference is here made to an application for a Letters Patent of the United States executed by them on the date herewith; and

**WHEREAS**, Curwood, Inc., a corporation organized and existing under the laws of the State of Delaware, having a principal office and place of business at 2200 Badger Avenue, Oshkosh, Wisconsin 54904, hereinafter called the "Assignee," is desirous of acquiring the entire right, title and interest in and to said invention, the patent application above-identified, and in, to and under any Letters Patent which may be obtained for said invention, as hereinafter more fully set forth;

**NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN**, be it known that for, and in consideration of, the sum of one dollar (\$1.00) and other valuable and legally sufficient considerations, the receipt of which by the said Assignors from the said Assignee is hereby acknowledged, the said Assignors have sold, assigned and transferred, and by these presents do sell, assign and transfer unto the said Assignee, the entire right, title and interest for the United States in and to the invention and patent application hereinabove identified, and any Letters Patent of the United States that may issue for said invention as well as all continuations, continuations-in-part, divisionals and reissues thereof, and any Letters Patents therefore in all countries foreign to the United States; to have and to hold for the sole and exclusive use and benefit of the said Assignee, its successors and assigns to the full end of the term for which any and all of said Letters Patent for said invention that may issue;

**AND**, the said Assignors do hereby covenant and agree, for themselves and their legal representatives, that they will assist the said Assignee in the prosecution of the patent application herein identified; in the making and prosecution of any other applications for any Letters Patent that the said Assignee may elect to make covering the invention herein identified, as hereinbefore set forth, including any application for reissue, application for reexamination, or any proceeding in the United States Patent Office affecting said invention, investing in the said Assignee like exclusive title in and to all such other applications and Letters Patent; and in the prosecution of any interference or reexamination which may arise involving said invention, or any patent

application or Letters Patent herein contemplated; and that they will execute and deliver to said Assignee any and all additional papers which may be requested by said Assignee to fully carry out the terms of this Assignment;

AND, the Commissioner for the United States Patent Office is hereby authorized and requested to issue any Letters Patent to said Assignee in accordance with the terms of this Assignment.

IN TESTIMONY WHEREOF, said Assignors have hereunto set their hands on the date indicated below:
