Applicants are currently herewith submitting documentation via EPAS regarding the merger of HOYA CORPORATION and PENTAX Corporation. In this regard, Applicants are submitting only a copy of the first page of the merger document and a copy of the first page of the translation thereof, since Applicants have previously attempted to file the complete documents by EPAS and discovered that the complete documents are too lengthy for processing by EPAS due to electronic size limitations imposed by the EPAS system.

Applicants further note that the complete merger document and complete translation thereof have been filed by paper in commonly assigned U.S. Application No. 11/240,454, now U.S. Patent No. 7,379,093, and the merger was recorded in this application on April 25, 2008 at Reel 020891, Frame 0073. The assignment branch of the U. S. Patent and Trademark Office is invited to inspect the complete merger document and complete translation thereof in the file of this recorded assignment, if necessary.

Accordingly, the assignment branch of the U.S. Patent and Trademark Office is requested to record this document and issue a Notice of Recordation showing that the assignee of the present application is:

HOYA CORPORATION

Of course, if it is deemed necessary by the U. S. Patent and Trademark Office, Applicants will submit the complete merger document and complete translation thereof by paper.
