PATENT ASSIGNMENT

Whereas, Beadcrete Pty., Ltd. (hereinafter "ASSIGNOR"), an Australian corporation located in Castle Hill, Australia, is the owner by assignment of all right, title and interest to U.S. Patent No. 6,861,090 entitled "SURFACE FINISH OF CEMENTITIOUS NATURE AND CONTAINING GLASS BEADS" which issued on March 1, 2005 and is the owner by assignment of all right, title and interest to U.S. Patent No. 6,692,566 entitled "SURFACE FINISH OF CEMENTITIOUS NATURE AND CONTAINING GLASS BEADS" which issued on February 17, 2004 (collectively the "Inventions");

Whereas, Beadcrete USA, Inc., (hereinafter "ASSIGNEE"), an Arizona corporation having an address of 5120 W. Bethany Home Road, Glendale, AZ 85301, desires to acquire the entire right, title and interest in and to the Inventions, and in and to any and all United States patents to be obtained from the Inventions;

Accordingly, for good and valuable consideration, the receipt and sufficiency of which Assignor hereby acknowledges, Assignor hereby: 1) sells, assigns, transfers, and sets over to Assignee, its successors, legal representatives, and assigns, the entire right, title and interest in and to the Inventions for the territory of the United States of America, and in and to any and all Letters Patent of the United States which may be granted or have granted for the Inventions, and in and to any and all divisions, continuations, and continuations-in-part of the above-identified applications, and in and to any and all substitutions, reissues, reexaminations, extensions, or counterparts of the above-identified applications, and in and to any and all priority rights, Convention rights, and other benefits accruing or that accrue to Assignor with respect to the filing of applications for patents or securing of patents in the United States; and 2) authorizes and requests the Commissioner of Patents to issue any and all such Letters Patent granted upon the Inventions solely, in accordance with this assignment, to Assignee, its successors, legal representatives, and assigns, as the assignee of the entire right, title, and interest therein.

Assignor warrants and covenants that Assignor has the full and unencumbered right to sell, assign, and transfer the interests hereby sold, assigned, transferred and set over, and that Assignor has not executed and will not execute any document or instrument in conflict with this Assignment. Assignor further covenants and agrees that, upon the request and at the expense of Assignee, Assignor will execute, sign, and deliver any lawful papers, execute all division, continuation, continuation-in-part, substitute, reissue, reexamination, and extension applications, make all rightful oaths, testify in any legal proceeding relating to the Inventions, communicate to Assignee or Assignee's representatives all facts known to Assignor relating to the Inventions and their history; and perform all other lawful acts deemed necessary or desirable to aid Assignee, its successors and assigns and legal representatives, to secure, maintain, and enforce patent protection for the Inventions in the United States of America, and for vesting title to the Inventions in Assignee and to cause any and all of said Letters Patent to be issued to Assignee, and in particular to perfect title to the above-identified applications including divisions, continuations, and continuations-in-part of the above-identified applications, and any and all Letters Patent of the United States which may be granted or have been granted on the above-identified applications, including reissues, substitutions, reexaminations, extensions, or counterparts.

Assignor hereby grants to Assignee, or its designated representative, authority and power to insert on this Assignment any further identification which may be necessary or desirable for purposes of recordation of this Assignment.

Assignor grants to Assignee, its successors, legal representatives, and assigns, the right to sue third parties for past damages related to the Invention.

Executed this 20th day of December, 20 10 at Tenpe Arizona USA.
