ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, I/we, the undersigned, Digital Video Systems, Inc. (DVS), do hereby sell, assign, and transfer to:

Illumination Developments Ltd., a corporation existing under the laws of Hong Kong, having a principal place of business at Unit 2605, Island Place Tower, 510 King's Road, North Point, Hong Kong ("Assignee"), ten (10) percent interest and

Digital Video Systems, Inc. (DVS) a corporation existing under the laws of California, having a principal place of business at 357 Castro Street, Suite 5, Mountain View, CA 94041 ("Assignee"), a ninety (90) percent interest, respectively, their successors, assigns, and legal representatives, the entire right, title and interest for the United States, in and to any and all improvements which are disclosed in the United States Patent No. 5,519,678,

and is entitled:

HEAD SEEK CONTROL APPARATUS CONTINUOUSLY DETECTS AND COMPENSATES FOR VARYIING DISPLACEMENT VELOCITY OF OPTICAL HEAD

and in and to said application and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States; and in and to all original and reissued patents which have been or shall be issued in the United States; and in and to all rights of priority resulting from the filing of said United States Patent; and

Agree that said Assignees may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignees, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignees, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignees, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignees, its successors, assigns and legal representatives; and

Covenant with said Assignees, its successors, assigns and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
