ASSIGNMENT

MAERSK Inc., having a principal place of business at 2 Giralda Farms, Madison Avenue, Madison, NJ 07940-0880 (hereafter the "Assignor"), is the owner by respective Assignment of the Patent(s) and Patent Application(s) identified below (hereafter sometimes called the "Patent(s)").

APM Terminals North America, Inc., having a place of business at 1000 APM Terminals Blvd, Portsmouth, VA 23703 (hereafter the "Assignee"), desires to acquire all of the rights to the Patent(s) and all inventions described and claimed therein.

THEREFORE, in consideration of the sum of One Dollar (\$1.00) or equivalent and other good and valuable consideration paid to it, Assignor hereby sells and assigns to the Assignee the entire right, title and interest in and to the Patent(s) identified below, and all inventions described and claimed therein, in any and all Letters Patent therefor, and in any and all reissues, extensions, renewals, reexaminations, divisions and continuations of such applications or Letters Patent to the full end of the term or terms for which such Letters Patent issue, such entire right, title and interest to be held and enjoyed by the above-named Assignee the same as they would have been held and enjoyed by the Assignor had this Assignment and sale not been made.

By its undersigned representative, the Assignor agrees

a. to execute all papers reasonably necessary in connection with the Patent(s) and any continuing, divisional, reissue, reexamination or corresponding application thereof and also to execute separate Assignment in connection with such application as the Assignee may deem necessary or expedient;

b. to execute all papers reasonably necessary in connection with any interference which may be declared concerning the Patent(s) or any continuation, division, reissue or reexamination thereof and to use commercially reasonable efforts to cooperate with the Assignee in obtaining evidence and going forward with such interference; and

c. to perform all affirmative acts which may be reasonably necessary to obtain a grant of valid United States and European patents to the Assignee on any of the Patent(s) and on any continuation, division, reissue or reexamination of any of the Patent(s).

The Assignor hereby covenants that it has the full right to convey the entire interest herein assigned, and that it has not executed, and will not execute, any agreement in conflict therewith.

MAERSK INC. certifies that it is the Assignee of the entire right, title, and interest in the Patent(s) identified above by virtue of Assignment from the inventors of the Patent(s) identified above.

The undersigned has reviewed the documents in the Patent(s) identified above and, to the best of undersigned's knowledge and belief, title is in the Assignor identified above.

The undersigned is empowered to sign this certificate on behalf of the Assignor.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

IN WITNESS WHEREOF, executed by the Assignor's undersigned representative on the date following the undersigned's name.

MAERSK INC.
