ASSIGNMENT

WHEREAS, CRANE CO. ("ASSIGNOR"), a corporation organized under the laws of the State of Delaware, whose corporate headquarters is located at 100 First Stamford Place, Stamford, Connecticut 06902, is the owner of all right, title and interest in certain new and useful inventions and improvements described and claimed in the pending patent applications and granted patents listed in Exhibit A attached hereto;

WHEREAS, CRANE MERCHANDISING SYSTEMS, INC., a corporation organized under the laws of the State of Delaware, whose corporate headquarters is located at 12955 Enterprise Way, Bridgeton, Missouri 63044, is desirous of acquiring 100% interest in and to those inventions and improvements, and in and to the said pending patent applications and any Letters Patent that may issue thereon and said granted patents;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, ASSIGNOR does hereby sell, assign and transfer individually unto said ASSIGNEE, their successors, assigns and legal representatives, a 100% ownership interest in and to said inventions and improvements, in and to said pending patent applications and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof, and in and to said granted patents.

ASSIGNOR also hereby sells and assigns individually to said ASSIGNEE, their successors, assigns and legal representatives a 100% ownership interest to the inventions and improvements disclosed in said pending patent applications and said granted patents throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in ASSIGNEES, their successors, assigns and legal representatives.

IN WITNESS WHEREOF, said Assignor has executed and delivered this instrument this 24th day of May, 2010.
