**ASSIGNMENT**

For value received, we Colby Logan a citizen of USA in the County of Grenada and the State of Mississippi and Howard Schmidt a citizen of USA in the County of Walton and the State of Georgia, hereby sell, assign and transfer to Advanced Distributor Products LLC, a corporation of DE, having an office at 1995 Air Industrial Park Road, Grenada, MS 38901, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, in and to certain inventions related to "A COMPACT AIR HANDLER SYSTEM" described in an application for Letters Patent of the United States, executed by us of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Advanced Distributor Products LLC the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Advanced Distributor Products LLC to make application for such protection in its own name and maintain such protection in any and all foreign countries to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Advanced Distributor Products LLC to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Advanced Distributor Products LLC in the United States and in all countries foreign to the United States, or to such nominees as Advanced Distributor Products LLC may designate.

We agree that, when requested, I shall, without charge to Advanced Distributor Products LLC but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
