ASSIGNMENT

WHEREAS, Elof Eriksson of Wellesley Hills, Massachusetts has, with others, made certain inventions described in U.S. Patent Number 7,666,134 (Application Number 10/673,661) issued on February 23, 2010, entitled SYSTEM AND METHOD FOR TRANSPLANTATION OF DERMAL TISSUE, and is now pending in U.S. divisional Application for Letters Patent Number 12/705,668 filed on February 15, 2010 and in other countries and regional patent offices (including International Application Number PCT/US2004/031802, filed with the World Intellectual Property Office, and national phase applications related thereto), and

WHEREAS, Applied Tissue Technologies LLC (hereinafter referred to as said Company), a Massachusetts limited liability company having a place of business at Wellesley Hills, Massachusetts is desirous of acquiring from Elof Eriksson his interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to me in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, I, Elof Eriksson, hereby sell, assign and transfer unto said Company, its successors and assigns, my entire right, title and interest throughout the United States of America and the territories thereof, for all foreign countries and under all international agreements in and to said inventions, the aforesaid US Patent, US Divisional Application, all other applications filed in the United States, in any other country, or under any international agreement based in whole or in part on said inventions, and all Letters Patents granted upon said applications by the United States, by any other country or under any international agreement, and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company.
