DEED OF ASSIGNMENT

This DEED OF ASSIGNMENT is made the 22nd day of March, 2010

BETWEEN

U.S. PHILLIPS CORPORATION, a Delaware Corporation, having its office at 3000 Minuteman Road, Andover, MA 01810, USA ("Assignor") on the one part,

and

IRDETO B.V., having its registered office at Jupiterstraat 42, 2132 HD, Hoofddorp, The Netherlands ("Assignee") on the other part.

This Deed of Assignment is to confirm the following:

Assignor is the registered owner of the US patent rights, listed in the Annex ("the Assigned Patents");

In consideration of a sum of or equivalent to at least one US\$ 1.00 (one US Dollar) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor has, effective as of 7 December 2009, assigned to Assignee all right, title and interest in and to the Assigned Patents, subject to:

- (i) Assignor and its Affiliates retaining a world-wide, royalty-free, non-exclusive, unrestricted and irrevocable license under the Assigned Patents for the lifetime of the Assigned Patents, to use the Assigned Patents for and in any and all activities and applications that it or its Affiliates see fit, including, without limitation, the right to manufacture, use, import, offer to sell, sell or otherwise dispose of any product (including software), process or service including the right to have any such product made for it and/or its Affiliates or sold or otherwise disposed of for it or its Affiliates by third parties; and
- (ii) all prior commitments and prior undertakings vis-à-vis third parties entered into by Assignor or its Affiliates;

and Assignee has accepted said assignment.

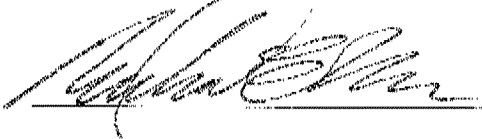

When used in this Deed of Assignment, "Affiliate" shall mean any legal entity (i) owned or controlled by Assignor (ii) owning or controlling Assignor, or (iii) owned or controlled by the entity owning or controlling Assignor, at the 7 December 2009 or at any time thereafter. For the purpose of this definition, an entity shall be deemed to own or control another entity if more than 50% (fifty per cent) of the stock of the latter entity, ordinarily entitled to vote in the election of directors (or, if there is no such stock, more than 50% (fifty per cent) of the ownership of or control in the latter entity) is directly or indirectly held by the owning or controlling entity.

The assignment of right and title in and to the Assigned Patents to Assignee does not include the right to claim for damages resulting from any act of infringement having occurred prior to the effective assignment date specified above. That right is retained by Assignor.

Assignor hereby grants full power of attorney to Assignee to submit this Deed of Assignment deed, including the Annex, to the patent authorities of USA, and to request those authorities to record the assignment of the legal title to the Assigned Patents from Assignor to Assignee in the appropriate registers provided that, where possible, the retained license to Assignor and its Affiliates shall be simultaneously recorded in those registers.

EXECUTED for and on behalf of:

U.S. PHILIPS CORPORATION

A handwritten signature in dark ink, appearing to read 'M. Marion', is written over a horizontal line. The signature is stylized with a large initial 'M' and a long, sweeping underline.

Name: M. Marion

Title: Authorized Representative
