AFTER-ACQUIRED INTELLECTUAL PROPERTY SECURITY AGREEMENT
(FIRST SUPPLEMENTAL FILING)

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (FIRST SUPPLEMENTAL FILING), dated as of December 29, 2010 (as amended, restated, supplemented or otherwise modified from time to time, this “Intellectual Property Security Agreement”), is made by each of the signatories hereto (collectively, the “Grantors”) in favor of TCO Funding Corp. (“TCO”) for the benefit of the Secured Parties (used herein as defined in the Guarantee and Collateral Agreement referred to below).

WHEREAS, Tensar Corporation (fka Tensar Holdings, Inc.), a Delaware corporation, Tensar Corporation, LLC (fka The Tensar Corporation, LLC fka The Tensar Corporation (Georgia)), a Georgia limited liability company, TCO Funding Corp. (“TCO”) and Credit Suisse AG, Cayman Islands Branch (f/k/a Credit Suisse, Cayman Islands Branch) (the “Administrative Agent”), entered into (i) a Lease Financing and Purchase Option Agreement, dated as of October 31, 2005 (as amended, supplemented or otherwise modified from time to time, the “Lease Agreement”), (ii) a Working Capital Murabaha Facility Agreement, dated as of October 31, 2005 (as amended, supplemented, replaced or otherwise modified from time to time, the “Commodities Purchase Agreement”) together with Arcapita Investment Funding Limited and AIA Limited, and (iii) a Working Capital Murabaha Facility Agreement, dated as of December 29, 2010 (as amended, supplemented, replaced or otherwise modified from time to time, the “Extended Commodities Purchase Agreement”) together with Arcapita Investment Funding Limited and AIA Limited;

WHEREAS, in connection with the Lease Agreement, the Commodities Purchase Agreement and the Extended Commodities Purchase Agreement, the Grantors entered into the First Lien Guarantee and Collateral Agreement, dated as of October 31, 2005, (as amended, restated, supplemented or otherwise modified from time to time, the “Guarantee and Collateral Agreement”) in favor of TCO for the ratable benefit of the Secured Parties;

WHEREAS, the Grantors have acquired additional Intellectual Property (used herein as defined in the Guarantee and Collateral Agreement) and desire to grant a security interest in such additional Intellectual Property under the Guarantee and Collateral Agreement in favor of TCO for the ratable benefit of the Secured Parties, and have agreed as a condition thereof to execute this Intellectual Property Security Agreement for recording with the United States Patent and Trademark Office, the United States Copyright Office, and other applicable Governmental Authorities (used herein as defined in the Extended Commodities Purchase Agreement).

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to TCO for the ratable benefit of the Secured Parties a first priority security interest in and to all of such Grantor's right, title and interest in and to the following (the "Intellectual Property Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations:

(a) (i) all trademarks, service marks, trade names, corporate names, company names, business names, trade dress, trade styles, logos, or other indicia of origin or source identification, trademark and service mark registrations, and applications for trademark or service mark registrations and any new renewals thereof owned by Grantor, including, without limitation, each registration and application identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (iv) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above (collectively, the "Trademarks");

(b) (i) all patents, patent applications and patentable inventions owned by Grantor, including, without limitation, each issued patent and patent application identified in Schedule 1, (ii) all inventions and improvements described and claimed therein, (iii) the right to sue or otherwise recover for any and all past, present and future infringements thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements thereof), and (v) all reissues, divisions, continuations, continuations-in-part, substitutes, renewals, and extensions thereof, all improvements thereon and all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto (collectively, the "Patents");

(c) (i) all copyrights owned by Grantor, whether or not the underlying works of authorship have been published, including, but not limited to copyrights in software and databases all Mask Works (as defined in 17 U.S.C. 901 of the Copyright Act) and all works of authorship and other intellectual property rights therein, all copyrights of works based on, incorporated in, derived from or relating to works covered by such copyrights, all right, title and interest to make and exploit all derivative works based on or adopted from works covered by such copyrights, and all copyright registrations and copyright applications, mask works and mask work applications, and any renewals or extensions thereof, including, without limitation, each registration and application identified in Schedule 1, (ii) the rights to print, publish and distribute any of the foregoing, (iii) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (iv) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and

payments for past, present or future infringements thereof), and (v) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto (collectively, the “Copyrights”);

(d) (i) all trade secrets and all confidential and proprietary information owned by Grantor, including know-how, manufacturing and production processes and techniques, inventions, research and development information, technical data, financial, marketing and business data, pricing and cost information, business and marketing plans, and customer and supplier lists and information, including, without limitation, any of the foregoing identified in Schedule 1, (ii) the right to sue or otherwise recover for any and all past, present and future misappropriations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future misappropriations thereof), and (iv) all other rights of any kind whatsoever of the Grantor accruing thereunder or pertaining thereto (collectively, the “Trade Secrets”); and

(e) any and all proceeds of the foregoing.

SECTION 2. Recordation. The Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks and any other applicable government officer record this Intellectual Property Security Agreement.

SECTION 3. Execution in Counterparts. This Intellectual Property Security Agreement may be executed in any number of counterparts (including by telecopy), each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 4. Governing Law. This Intellectual Property Security Agreement shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

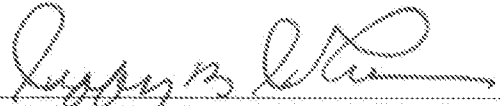

SECTION 5. Conflict Provision. This Intellectual Property Security Agreement has been entered into in conjunction with the provisions of the Guarantee and Collateral Agreement and the other Lease/Purchase Facilities Documents (used herein as defined in the Guarantee and Collateral Agreement). The rights and remedies of each party hereto with respect to the security interest granted herein are without prejudice to, and are in addition to those set forth in the Guarantee and Collateral Agreement and the other Lease/Purchase Facilities Documents, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Intellectual Property Security Agreement are in conflict with the Guarantee and Collateral Agreement or the other Lease/Purchase Facilities Documents, the provisions of the Guarantee and Collateral Agreement or the other Lease/Purchase Facilities Documents shall govern.

IN WITNESS WHEREOF, each of the undersigned has caused this Intellectual Property Security Agreement to be duly executed and delivered as of the date first written above.
