THIS DEED dated the 25TH day of JAN Two thousand
And TEN

BETWEEN:

Imperial Innovations Limited incorporated and registered
in England and Wales with company number 2060639 whose
registered address is at Level 12, Electrical and
Electronic Engineering Building, Imperial College,
London, SW7 2AZ (hereinafter called "Innovations") of
the first part; and

Veryan Medical Limited, incorporated and registered in
England and Wales with company number 4793815 whose
registered address is at 9400 Garsington Road, Oxford
Business Park, Oxford, OX4 2HN hereinafter "the
Company") of the second part.

WHEREAS

1. The Company has made (or caused to be made)
applications for the invention (hereinafter called "the
Invention") disclosed in the patent applications listed
in the schedule hereto (hereinafter called "the Patent
Applications").

2. Innovations has acquired rights in the Invention
and the Patent Applications.

3. Innovations agrees that all of the rights as they
may have in the Invention and the Patent Applications
should be assigned to the Company so that the Company
may enjoy the full benefit of the Patent Applications
and the Invention.

NOW THEREFORE:-

23/12/2009 18:42:44

1. In consideration of the Company's payment to Ioannis Petousis of the amount pursuant to clause 3 below, Innovations HEREBY ASSIGNS to the Company with full title guarantee all right title and interest in and to the Invention and the Patent Applications (other than any right title interest in and to the Invention and the Patent Applications that is already owned by the Company ("Company IP")) in any country of the world including:

- (i) The right to file applications for, and be granted, patents, utility models or other intellectual property rights in any country of the world (and including supplementary protection certificates, divisions, continuations, continuations in part, national or regional phases, reissues and extensions) in respect of the Invention, whether under national regional or international arrangements;
- (ii) The right to claim priority under any national, regional or international law or treaty from any of the Patent Applications or any other applications for intellectual property rights in respect of the Invention;
- (iii) The right to recover and take all such proceedings as may be necessary for the recovery of damages or otherwise in respect of all infringements of any of the Patent Applications or any other intellectual property rights arising therefrom, whether committed on; before or after the date of this assignment, including the right to issue proceedings and be awarded damages or relief in respect of any right conferred by the publication of any of the Patent Applications.

TO HOLD the same unto the Company absolutely

23/12/2009 16:32:44

2. Innovations hereby covenants with the Company if and when required by the Company to sign execute and do all such further documents, acts or things as may be necessary or desirable to enable the Company to procure and enjoy the full benefit of the Invention and the Patent Applications or any patents or patent applications that may result therefrom including if required the execution of further assignments by way of confirmation of this assignment and the execution of documents in connection with the Invention in Innovations' own name in respect of the United States of America or any other country.
3. Within 30 days of the date of this Deed, the Company shall pay to Ioannis Petousis in cleared funds ten thousand pounds (£10,000). Ioannis Petousis shall have the right to enforce the provisions of this clause 3.
4. Innovations hereby represents, warrants and undertakes that:
 - (i) save for the Company IP, it is the sole owner of the Invention and the Patent Application; and
 - (ii) neither it, nor any third party on its behalf, has licensed, assigned, covenanted not to sue or dealt in any way with the Invention or the Patent Applications.
5. This Deed and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales. The
