## INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT dated as of December 13, 2010 is made by and between Tampa g Manufacturing Co., a Florida corporation ("Assignor") and Nivel Parts & Manufacturing Co., LLC, a Delaware limited liability company (the "Assignee").

WHEREAS, pursuant to that certain Asset Purchase Agreement (the "Purchase Agreement"), dated as of the date hereof, by and among the Assignee and the Assignor, and the shareholders of the Assignor, Assignor has agreed to assign to Assignee the Assignor's intellectual property that comprises a portion of the Assets (the "Intellectual Property"), including, to the extent assignable, all permits, licenses, franchises, authorizations and other intangible rights of Assignor relating to the Intellectual Property (terms not defined herein shall have the meanings assigned to them in the Purchase Agreement);

WHEREAS, the Intellectual Property includes (i) the trademark registrations and applications listed on Schedule 1 attached hereto for the goods and/or services identified therein (the "Marks"); (ii) the issued patents and patent applications listed on Schedule 2 attached hereto (the "Patents"); (iii) the copyright registrations listed on Schedule 3 attached hereto (the "Copyrights"); and (iv) the domain names, websites, URLs (Uniform Resource Locators), URIs (Uniform Resource Indicators), and URNs (Uniform Resource Names) listed on Schedule 4 attached hereto; and

WHEREAS, pursuant to the Purchase Agreement, Assignee desires to acquire the Intellectual Property, including the Marks, the Patents, the Copyrights, the domain names, websites, URLs, URIs, URNs and any and all goodwill associated with the foregoing.

NOW, THEREFORE, Assignor, for and in consideration of the Purchase Price, and other good and valuable consideration as set forth in the Purchase Agreement, hereby grants, bargains, sells, assigns, alienates, remises, releases, conveys, transfers, sets over, confirms and delivers unto Assignee, its successors and assigns, forever, free and clear of all liens, charges, pledges, security interests or other encumbrances, all of Assignor's right, title, benefit and interest in and to the Intellectual Property, including without limitation all of Assignor's right, title, and interest in and to each of the Marks, the Patents, the Copyrights, the domain names, websites, URLs, URIs and URNs, along with the following:

- (a) the goodwill of the business symbolized by and associated with the Intellectual Property; and
- (b) all rights to proceeds of the Intellectual Property, including, without limitation, any claim by Assignor against third parties for past, present, or future infringement of the Intellectual Property.

1. Assignor covenants and agrees that, at any time and from time to time, it will, upon the request of the Assignee or any designee thereof, do, execute, acknowledge and deliver, or cause to be done, executed, acknowledged and delivered, all such further acts, deeds, instruments, transfers, powers of attorney or assurances as may be required for the better assigning, transferring, granting, conveying, assuring and confirming to the Assignee or its designee, or for aiding and assisting in the collection of or reducing to possession by the Assignee or its designee of, any of the Intellectual Property, as applicable.

2. Assignor covenants with the Assignee and its designee that it will warrant and defend the Intellectual Property against all and every person or persons whomsoever lawfully claiming title to the said Intellectual Property or any part thereof.

3. The provisions hereof shall inure to the benefit of and be binding upon the successors, assigns and legal representatives of the Assignor, the Assignee and its designee.

4. This Intellectual Property Assignment may be executed by facsimile or in one or more counterparts, each of which will be deemed to be an original copy of this Intellectual Property Assignment and all of which, when taken together, will be deemed to constitute one and the same agreement.

5. This Intellectual Property Assignment is delivered pursuant to the Purchase Agreement, and the provisions of this Intellectual Property Assignment and the transfer of the property hereunder are made subject to the terms and provisions of the Purchase Agreement.

6. This Intellectual Property Assignment may not be amended, supplemented or otherwise modified except in a written document executed by the party against whose interest the modification will operate.

7. This Intellectual Property Assignment shall be governed and construed in accordance with the laws of the State of Florida applicable to agreements made and to be performed entirely within such State.
