ASSIGNMENT

Serial No. 29/383632

Filed: January 20, 2011

In consideration of One Dollar and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned inventor(s) hereby assign(s) to Belwith Products, LLC., a Delaware limited liability company, having a principal place of business at 3100 Broadway SW, Grandville, MI, 49418, its successors and assigns (hereinafter called "said assignee"), the entire right, title and interest in the invention or improvements (hereinafter called "said invention") of the undersigned disclosed in an application for Letters of Patent of the United States, entitled: **Cabinet Handle**, executed by the undersigned on the 20th day of January, 2011, and in said application, accorded Serial No. 29/ 383632 by the US Patent and Trademark Office and any and all other applications for United States Letters Patent, which the undersigned may file, either solely or jointly with others, on said invention or improvements, and in any and all Letters Patent of the United States which may be obtained on any of said applications, and in any reissue or extension thereof, and to any corresponding applications for and Letters Patents therefor in all other areas of the world; and any reissues, extensions, confirmations, divisions, and continuations of any of the foregoing (hereinafter referred to as "Invention Rights") to have and to hold for the use and benefit of the said assignee, its legal representatives and assigns, to the full end of the term for which said Patent is granted, as fully and entirely as the same would have been held by the inventor had this Assignment not been made.

The undersigned hereby authorizes and requests the Commissioner of Patents to issue said Letters Patent to said assignee. The undersigned hereby authorizes and requests the attorneys of record in said application to insert in this assignment the date and serial number of said application.

And for said consideration, the undersigned hereby agrees, upon the request and at the expense of said assignee, to execute any divisional, continuation or substitute application for said invention or improvements, and any oath, declaration or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and, in the event of any application or Letters Patent assigned herein becoming involved in an interference or opposition proceeding, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agrees to perform, upon request, any affirmative acts to obtain said Letters Patent of the United States or other area of the world and vest in said assignee all Invention Rights therein, whereby said Letters Patent will be held and enjoyed by said assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

And for said consideration, the undersigned hereby assigns to said assignee the entire right, title and interest in said invention or improvements for all foreign countries, including all priority rights under the International Convention, and agrees to execute, at the request of said assignee, all documents in connection with any application for foreign letters patent therefor.
