ASSIGNMENT

THIS ASSIGNMENT, by Keon Jae Lee, Sang Yong Lee, and Yong Jin Kim (hereinafter referred to as the Assignors), witnesseth: WHEREAS, said Assignors have invented certain new and useful improvements, which are described in a United States patent application entitled

MANUFACTURING METHOD FOR FLEXIBLE DEVICE, FLEXIBLE DEVICE, SOLAR CELL, AND LIGHT EMITTING DEVICE

WHEREAS LG SILTRON INC., a body having corporate powers under the laws of the Republic of Korea and having a principal place of business at 274, Imsu-dong, Gumi-si, Gyeongbuk 730-350, Republic of Korea and KOREA ADVANCED INSTITUTE OF SCIENCE, a body having corporate powers under the laws of the Republic of Korea and having a principal place of business at 335 Gwahak-ro (373-1 Guseong-dong), Yuseong-gu, Daejeon 305-701, Republic of Korea (hereinafter referred to as the Assignees), are desirous of each obtaining an undivided one half interest to the entire right, title, and interest in and to said inventions and said application for Letters Patent, and in and to any Letters Patent, United States or foreign, to be obtained therefore and thereon, and to any and all improvements which are disclosed in said application for Letters Patent;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged;

- 1. The Assignors have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto said Assignees the entire right, title, and interest in, to, and under said inventions; said application for Letters Patent; any Letters Patent which may be granted for said inventions in the United States of America; any division, continuation, and continuation-in-part of said application; any reissue or extension of said Letters Patent; said right, title, and interest to be held and enjoyed by said Assignees for their own use and behoove to the full end of the term for which Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by the Assignors, had this sale and assignment not been made.
2. Said Assignors hereby warrant and represent that, at the time of execution and delivery of these presents, said Assignors are the lawful owners of the entire right, title and interest in and to said inventions and said application for Letters Patent, and that the same have not entered into any assignment, contract or understanding in conflict herewith.
3. Said Assignors hereby covenant and agree to assist and cooperate with said Assignees, whereby said Assignees may enjoy to the fullest extent said right, title, and interest herein conveyed, provided, however, that the entire expense which may be incurred by said Assignors in lending such assistance and cooperation be paid by Assignees. Such cooperation shall include: (a) prompt execution of all papers (prepared at the expense of Assignees) that are deemed necessary or desirable by Assignees to perfect said right, title and interest herein conveyed, (b) prompt execution of all petitions, oaths, specifications, declarations and other papers (prepared at the expense of Assignees) that are deemed necessary or desirable by Assignees for filing or prosecuting in the United States or any foreign country said application, any application which is a division, continuation, or continuation-in-part of said application, any reissue application for any Letters Patent granted on said application, or for any interference proceeding involving said application or Letters Patent granted thereon; and (c) prompt assistance and cooperation in the prosecution of all legal proceedings involving said inventions, said application, or Letters Patent granted thereon, including oppositions, cancellation proceedings, priority contests, public use proceedings, and court actions.
4. The terms, covenants and conditions of this Assignment shall inure to the benefit of said Assignees, their successors, assigns, and/or other legal representatives, and shall be binding upon said Assignors, their heirs, legal representatives, and assigns.
5. Said Assignors hereby request the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States to said Assignees as the Assignees of said inventions.

IN WITNESS WHEREOF said Assignors have executed and delivered this instrument on the dates noted below.
