ASSIGNMENT OF APPLICATION FOR PATENT

WHEREAS, I, Ronald Bel of 1449 Route 208, Washingtonville, New York 10992, have invented and own a certain new and useful invention (the "Invention") entitled:

BEL HOP ROOF CONTAINER

for which invention I have executed an application for Letters Patent of the United States which was filed on November 21, 2008 under Serial Number 12/275,968 (the "Application"); and

WHEREAS, Ron's Worksavers, LLC, a New York limited liability company with offices at 1449 Route 208, Washingtonville, New York 10992 (hereinafter the "Assignee"), is desirous of acquiring the entire domestic and foreign right, title and interest in, to and under the above-described Application;

NOW, THEREFORE TO ALL WHOM IT MAY CONCERN, be it known that for good and valuable consideration the receipt and sufficiency of which are hereby acknowledged, I have assigned and set over, and by this document do assign and set over, to the Assignee and the Assignee's legal representatives, successors and assigns, the entire right, title and interest in, to and under (a) the Invention, in the United States and in every foreign country, (b) the Application, and other such applications (e.g., continuation, continuations-in-part, divisional and reissues) in the United States and in every foreign country and (c) and the Letters Patent (and extensions thereof), both foreign and domestic, that may or shall issue thereon; and I do hereby authorize and request the Commissioner of Patents and Trademarks to issue the Letters Patent in the United States to the above-mentioned Assignee consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, I convey to the Assignee the right to make application in its own behalf for protection of the Invention in countries foreign to the United States and where expedient to claim under the International Convention or other international arrangement, for any such application, the date of the United States application (or other application if any there be) in priority to other applications.

I DO HEREBY COVENANT and agree with the Assignee that I will not execute any writing or do any act whatsoever conflicting with the terms of this Assignment, and that I will at any time upon request, without further or additional consideration, but at the expense of the Assignee, execute such additional assignments and other documents, and do and perform such other acts and things, as the Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, renewal, reissued or extended Letters Patent of the United States or of any and all foreign countries on the Invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, and by executing statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the successors, assigns and legal representatives of both parties.

IN WITNESS WHEREOF, I have hereunto set my hands this 11 day of JAN., 2011.
