PATENT
REEL: 025681 FRAME: 0974

IN THE UNITED STATES
PATENT AND TRADEMARK OFFICE
Assignment and Agreement

For value received, I, **Fritz Ehmke**, of 64397 Modautal, Germany, **Peter Groll** of 64297 Darmstadt, Germany, **Ralph Mueller** of 64291 Darmstadt, Germany, hereby sell, assign and transfer to Schenck Process GMBH, having an office at Pallaswiesenstrasse 100, 64293 Darmstadt, Germany, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to all of the inventions in the patent application entitled **System for measuring loads during wheel/rail contact of rail vehicles** and identified by DeMont & Breyer's Attorney Docket as **9771-208US**, Serial Number **12/990018**, filed on **October 28, 2010**, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions.

I also concurrently hereby sell, assign and transfer to Schenck Process GMBH the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize Schenck Process GMBH to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Schenck Process GMBH to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I hereby acknowledge that in the event of a conflict of interest between Schenck Process GMBH and me, the firm of DeMont & Breyer, LLC is the attorney for Schenck Process GMBH and is not my attorney.

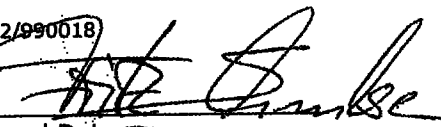

I request that any and all patents for said inventions be issued to Schenck Process GMBH in the United States and in all countries foreign to the United States, or to such nominees as Schenck Process GMBH may designate.

I agree that, when requested, I shall, without charge to Schenck Process GMBH but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
