## GLOBAL ASSIGNMENT OF INTELLECTUAL PROPERTY

For good and valuable consideration, the receipt and sufficiency thereof are hereby acknowledged, the I. Ross Carl ("the undersigned"), hereby assigns to Kolcraft Enterprises, Inc. a Delaware corporation, of 1100 West Monroe, Chicago, Illinois 60607 (hereinafter "Assignee"), its successors and assigns, the entire right, title and interest in the inventions, improvements, copyrights, trademarks, trade dress, creative works, creations and/or other intellectual property of the undersigned for any product or projects developed, designed, created and/or conceived during the tenure of employment of the undersigned with the Assignee including, without limitation, those identified in Schedule A.

The undersigned hereby authorizes the Assignee to disclose any of the inventions, improvements, copyrights, trademarks, trade dress, creative works, creations and/or other intellectual property of the undersigned for any product or projects developed, designed, created and/or conceived during the tenure of employment of the undersigned with the Assignee in any manner and hereby assigns any and all patent, trademark and/or copyright applications, United States, international and/or foreign, which the undersigned or the Assignee may file, either solely or jointly with others, on said inventions, improvements, copyrights, trademarks, trade dress, creative works, creations and/or other intellectual property and in any and all trademarks, copyright registrations or Letters Patent of the United States and/or foreign countries, which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned agrees to maintain all confidential information of the Assignee including any trade secrets, in confidence.

The undersigned hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any Letters Patent on any of the foregoing inventions, improvements and/or other intellectual property to said Assignee.

The undersigned hereby authorizes and requests the attorneys of record in any such application(s) to insert in Schedule A of this assignment the execution date and/or filing date and serial number of any such application(s) when officially known.

The undersigned warrants himself to be the owner of the interest herein assigned and to have the right to make this assignment and further warrants that there are no outstanding prior assignments, licenses, or other rights in the interests herein assigned.

For said consideration the undersigned hereby agrees, upon the request and at the expense of said Assignee, its successors and assigns, to execute any and all international, divisional, continuation, continuation-in-part and substitute applications for said invention or improvements, and any necessary

oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and any and all applications and other documents for Letters Patent in foreign countries on said invention or improvements, that said assignee, its successors or assigns, may deem necessary or expedient, and for said consideration the undersigned further agrees upon the request of said assignee, its successors or assigns, in the event of any application or Letters Patent assigned herein becoming involved in interference, to cooperate to the best of the ability of the undersigned with said Assignee, its successors or assigns, in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent, both United States and foreign, including, without limitation, executing declarations, oaths, affidavits or any other document.

The undersign further agrees to vest all intellectual property rights hereby conveyed in said Assignee, its successors and assigns, whereby said intellectual property rights will be held and enjoyed by said Assignee, its successors and assigns, to the full end of the term for which said intellectual property rights may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.
