confirm our obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest -

(1) in and to an invention entitled "BATTERY PACK" for which we have executed a United States Patent Application Serial No. 10/721,800, filed November 24, 2003 (Atty. File No. 066042-9537-00);

(2) in and to said United States patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of our Assignee with a claim to priority based on said United States application.

And we hereby agree that we will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment; it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.

A S S I G N M E N T

Pursuant to my obligation to Milwaukee Electric Tool Corporation (hereinafter referred to as "Assignee"), a Delaware Corporation having its principal place of business at:

13135 W. Lisbon Road
Brookfield, WI 53005

as agreed upon during the telephone conference with Mr. Zeiler on February 20, 2004, and as set forth in the Agreement with Assignee dated August 19, 2004 and for other valuable and sufficient consideration, receipt whereof is hereby acknowledged, I:

Karl F. Scheucher
7136 Eagle Rd.
Waite Hill, OH 44094

confirm my obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, my entire right, title and interest -

(1) in and to an invention entitled "BATTERY PACK" for which we have executed a United States Patent Application Serial No. 10/721,800, filed November 24, 2003 (Atty. File No. 066042-9537-00);

(2) in and to said United States patent application, in and to all other patent applications (including divisional, continuation, §111(b) provisional, §111(a), and reissue applications) claiming subject matter of said invention disclosed in said U.S. patent application, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of the Assignee with a claim to priority based on said United States application.

And I hereby agree that I will, upon demand of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by me.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
