AND WHEREAS, Mike and Maaike, Inc., a California corporation, having a place of business located at 2459 Lombard Street, San Francisco, California 94123 ("ASSIGNOR") desires to transfer all its rights, title and interest in, to, and under the PATENT APPLICATION to ASSIGNEE;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, ASSIGNOR hereby irrevocably assigns, transfers, sets over, conveys, and delivers to ASSIGNEE, its successors and assigns, all of ASSIGNOR's right, title, and interest in, to, and under any and all subject matter of the invention(s) disclosed and/or claimed in the PATENT APPLICATION; in, to, and under the PATENT APPLICATION and any and all provisional, continuation, continuation-in-part, continued prosecution, request-for-continued-examination, and divisional applications thereof; in, to, and under, ASSIGNOR's exclusive right to make and prosecute any and all applications for patents, reissues, renewals, and extensions thereof; and in, to, and under any and all patents and Convention and Treaty rights of all kinds, in the United States of America and all other countries throughout the world, for all such subject matter; in, to, and under any and all know-how and/or confidential, proprietary, and/or trade secret information relating to any such subject matter, applications, patents, and/or technology; in, to, and under the right to sue for present, past, and future infringement or misappropriation relating to any such subject matter, applications, patents, and/or technology; in, to, and under the right to enforce any rights and file any causes of action, in law and/or equity, relating to any such subject matter, applications, patents, and/or technology; and in, to, and under the right to all income, royalties, fees, damages, and payments now or hereafter due or payable in respect to any such subject matter, applications, patents, and/or technology.
