Assignment of Patent Rights

As Medizinische Universität Wien, having an address at Spitalgasse 23, A-1090 Wien, Austria, has decided to claim the entire right, title, and interest in and to the invention described below, in accordance with Section 106 of the Austrian Universities Act (UG 2002) and the Austrian Patent Law, Jozsef Constantin SZELES, having an address at Glanzinggasse 5/7, A-1190 Wien, Austria, hereby conveys, assigns and transfers to Medizinische Universität Wien, its entire right, title, and interest in and to the invention relating to "Electrode system for electric point stimulation therapy and manipulation tool therefore", as described and claimed in the EP Patent No. 1335774, filed November 16, 2001, and US Patent 7,660,637 including the right to claim priority from the AT Utility Application No. 2000-085920U filed November 21, 2000, and any and all applications for patent and patents in any and all countries, including all divisions, continuations, reissues, and extensions thereof, and authorizes and requests any official whose duty it is to issue patents to issue any patent on said invention or resulting there from to Medizinische Universität Wien, or his successors, assigns, or nominees, and agrees that on request and without further consideration, but at the expense of Medizinische Universität Wien will testify in any legal proceedings, sign all lawful papers and make all rightful oaths. Jozsef Constantin SZELES hereby warrants that he has full rights in said patent applications/patents and has the right to assign said patent applications/patents.

Jozsef Constantin SZELES further transfers and assigns to Medizinische Universität Wien all causes of action, rights, and remedies arising under any such patents or patent applications prior to or after the effective date of this Agreement. Effective date shall be October 20, 2010.
