## **PATENT ASSIGNMENT**

**THIS AGREEMENT FOR ASSIGNMENT OF PATENT RIGHTS** ("Agreement") is made effective as of the 1<sup>st</sup> day of January, 2011 (the "Effective Date"), by and among David Weiss an individual citizen of the United States of America, residing in Plantation, Florida ("Assignor") and Boca Enterprise Group, Inc. a Florida corporation, with a principal place of business at 751 Park of Commerce Drive, Suite 128 Boca Raton, Florida 33487, ("Assignee")(hereinafter referred to collectively as the "Parties").

**WHEREAS**, Assignor is the owner of all rights, title and interest to U.S. Patent Nos. 6,207,100 for an invention entitled "Closure Indicator for Cup Lid" and 6,230,924 for an invention entitled "Closure Indicator for Cup Lid" (hereinafter referred to collectively as "said patents");

**WHEREAS**, Assignee is desirous of obtaining all rights, title and interest in, to and under said patents;

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over to the Assignee all right, title and interest in, to and under said patents, including but not limited to the right to exclude others from making, using, offering for sale, selling, or importing into the United States the invention claimed in the said patents and any and all reissues, extensions, renewals, for said patents, and every priority right that is or may be predicated upon or arise from said patents, the same to be held and enjoyed by the Assignee for its own use and benefit fully and entirely as if the same would have been held and enjoyed by me had this Assignment not been made.

Assignor does hereby authorize the Commissioner of Patents and Trademarks of the United States, and any official of any other country empowered to issue patents, to record this Assignment, and to issue or transfer the said patents to the Assignee as owner of all right, title and interest therein, or otherwise as the Assignee may direct, in accordance with the terms of this Assignment.

Assignor does hereby represent and warrant that he has the full right to convey the entire right and interest herein assigned, that subject to said action there are no other rights or interests outstanding inconsistent with the rights and interests granted herein, and that Assignor will not

execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein.

Assignor does hereby covenant and agree that Assignor will, upon request of the Assignee, communicate to the Assignee any facts known to Assignor relating to said patents and the history thereof, testify in any legal proceeding, execute all lawful papers, including without limitation all divisional, continuing and reissue applications and all rightful oaths and declarations, and generally do all further acts which may be deemed necessary by the Assignee to obtain and enforce proper patent protection for said patents in all countries.

#### **Governing Law & Jurisdiction**

This Assignment and the parties' actions under this Assignment shall be governed by and construed under the laws of the state of Florida, without reference to conflict of law principles. The parties hereby expressly consent to the jurisdiction and venue of the federal and state courts within the state of Florida.

#### **Entire Agreement**

This Assignment, constitutes the entire Assignment between both parties concerning this transaction, and replaces all previous communications, representations and understandings, and agreements, whether verbal or written between the parties to this Assignment or their representatives. No representations or statements of any kind made by either party which are not expressly stated in this Assignment, shall be binding on such parties.

#### **All Amendments in Writing**

No waiver, amendment or modification of any provisions of this Assignment shall be effective unless in writing and signed by a duly authorized representative of the party against whom such waiver, amendment or modification is sought to be enforced. Furthermore, no provision in either party's purchase orders, or in any other business forms employed by either party will supersede the terms and conditions of this Assignment.

#### **Notices**

Any notice required or permitted by this Assignment shall be deemed given if sent by overnight courier, next-day delivery service to the other party at the address set forth in the preamble of this Assignment or at such other address for which such party gives notice hereunder.
