Insightlook's Patent, US7464074

1. Moshe Mizrahi, a board member, investor and shareholder in the company, has financed the fees paid towards registration of the above patent.
2. At the time of payment, it was understood that the fees and other expenses will be returned to Moshe. He has since requested several times that those fees are returned to him.
3. The company is in effect non-active, and has debts to several entities in priority over Moshe; it is impossible to convene the company's management.
4. Moshe is demanding that either the fees are returned to him, or the patent is assigned to him.
5. It is hereby decided that the US patent number, 7464074 , will be assigned to Mr. Moshe Mizrahi, the chairman of the board.
6. This letter is to serve both as a record of the event, and a binding document that will be sent to the USPTO.
