ASSIGNMENT OF APPLICATION

Docket Number  
MEAMD-014A

Whereas, I, Janette L. Munoz as the Legal representative of Paul A. Munoz (deceased), hereafter referred to as Assignor, have invented certain new and useful improvements in BONE SCREW RETENTION MECHANISM, for which an application for a United States Patent was filed on January 25, 2011, Application Number 13/013,669, and for which a provisional application was filed on January 26, 2010, application no. 61/298,437, and for which a provisional application was filed on Feb. 23, 2010, application no. 61,307,278, and in all designs that Assignor has worked on in connection with Dr. Mark Anderson (hereinafter the "improvements").

Whereas, WestMark Medical, LLC. of California herein referred to as "Assignee" whose mailing address is 16300 Sand Canyon Avenue, Suite 1005, Irvine, California 92618 is desirous of acquiring the entire right, title and interest in the improvements (which expressly include all designs that Assignee has worked on in connection with Dr. Mark Anderson).

Now, therefore, in consideration of the sum of One dollars (\$1.00), the receipt whereof is acknowledged, and other good and valuable consideration, I, the applicant, by these presents do sell, assign and transfer unto said Assignee the full and exclusive right to the said improvement in the United States and by these presents do hereby sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, Assignor's entire right, title and interest in, to and under said improvements, and said application and all divisions, renewals, continuations, and continuations-in-part thereof, and all United States Letters patent which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, including the full right to claim for any such application the priority benefits of the International Convention for the Protection of Industrial Property and other priority-conferring treaties, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, divisions, continuations, continuations-in-part, renewals and reissues thereof; and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to said Assignee, its successors, legal representatives and assigns, in accordance with the terms of this instrument; I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said Assignee, of the entire right, title, and interest in and to the same, for his sole use and behoof; and for the use and behoof of his legal representatives, to the full end of the term for which said Patent may be granted, as fully and entirely as the same would have been held by me had this assignment and sale not been made.

AND WE HEREBY further assign the right to sue for past infringement and to recover all damages arising from or relating to any such past infringement.

AND WE HEREBY further covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries at the expense of ASSIGNEE.

Executed this 25<sup>th</sup> day of January, 2011, at Aliso Viejo, Ca.
