**PATENT ASSIGNMENT
(WORLDWIDE)**

In consideration of the payment by ASSIGNEE to ASSIGNOR of the sum of ONE DOLLAR (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration as agreed by the parties,

ASSIGNOR, Delphi Technologies, Inc., a Delaware corporation having a principal place of business at 5725 Delphi Drive, Troy, MI 48098

hereby sells, assigns and transfers to

ASSIGNEE, Autoliv Development AB, a corporation of Sweden, having its principal office at Wallentinsvägen 22, S-447 83 VÅRGÅRDA, Sweden and its successors, assigns and legal representatives,

ASSIGNOR's entire right, title and interest in (subject to rights previously granted to others) and to each of the Letters Patents and applications therefore listed on the attached Schedule A as well as to any Renewals, Extensions, Reissues or Reexaminations of such patents and any Divisions, Continuations or Continuations-in-Part, of such applications and all Letters Patents resulting from any of the foregoing, and further including, in all countries, the right to claim priority based on the applications, the same to be held and enjoyed by ASSIGNEE to the full end of the term for which said Letters Patents are granted, as fully and entirely as the same could have been held and enjoyed by ASSIGNOR if this assignment and sale had not been made, together with all rights of actions for past infringement thereof including the right to recover damages for said infringement.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 2^d day of July, 2010.

(Signature of ASSIGNOR)

THOMAS N. TWOMEY
Thomas N. Twomey

Vice President
