**ASSIGNMENT**

I, the below-identified Inventor, for good and valuable consideration, receipt of which is hereby acknowledged, have assigned and do hereby assign to

Adroit Development, Inc., a corporation of Tennessee, domiciled in Loudon County, TN

(the "Assignee"), its successors, assigns, and legal representatives the entire right, title, and interest throughout the world in and to all subject matter invented by me and disclosed in the application for a Letters Patent in the United States associated with the above attorney docket number and titled:

Packaging system for a sterilizable item

and in and to all patent and all foreign, convention and treaty rights of all kinds, in all countries throughout the world, for all such subject matter or improvements therein, including all rights of action and damages for past infringements, the same to be held and enjoyed by Assignee for its own use and behoof, and for its legal representatives and assigns, to the full end of the term for which said Patent is granted, as fully and entirely as the same would have been held by me had this assignment not been made. I agree to sign all papers necessary to secure all said patent rights, and request issuance of all said patents to Assignee in accordance with this Assignment.
