ASSIGNMENT TO LIFE SPINE, INC.

Whereas, Innovative Spinal Design, LLC (hereinafter referred to as "Assignor") a limited liability company organized and existing under the laws of the State of Mississippi, with address 1 Lincoln Parkway, Suite 300, Hattisburg, Mississippi 39402, is the owner of the entire right, title and interest in and to the following two applications for United States Letters Patent:

(1) "ADJUSTABLE SPINE DISTRACTION IMPLANT", an application for United States Letters Patent for which has been filed on April 10, 2007, and bearing Serial No. 60/911,003; and

(2) "ADJUSTABLE SPINE DISTRACTION IMPLANT", an application for United States Letters Patent for which has been filed on April 10, 2008, and bearing Serial No. 12/100,718.

Whereas, Life Spine, Inc. (hereinafter referred to as "Assignee"), a corporation organized and existing under the laws of the State of Delaware, with address 2401 West Hassell Road, Suite 1535, Hoffman Estates, Illinois 60169, is desirous of acquiring the entire right, title and interest in and to the said invention within the United States of America and its territorial possessions and any United States Letters Patent that may be granted therefor and in and to said application;

Now; Therefore, in consideration of the sum of One Dollar (\$10.00) paid by Assignee to Assignor, and other good and valuable considerations, the receipt of which is hereby acknowledged, Assignor has sold, assigned and transferred and by these presents does hereby sell, assign and transfer unto the said Assignee, the entire right, title and interest in and to the said invention within the United States of America and its territorial possessions and in and to any United States Letters Patent that may be granted therefor and in and to the said application and in and to any and all divisions, reissues, continuations and extensions thereof and in and to any Letters Patent that may be granted thereon, together with the right to extend the protection of such Letters Patent to the

various territorial possessions now owned or which may be hereafter acquired by the United States of America, all said rights to be held and enjoyed by Assignee for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the full end of the term or terms for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment, transfer and sale had not been made.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patent, when granted, to said Assignee, as the assignee of its entire right, title and interest in and to the same, for the sole use and enjoyment of said Assignee, its successors and assigns.
