ASSIGNMENT

For valuable consideration, I, Floribertus P.M. Heukensfeldt Jansen, hereby assign to General Electric Company having a place of business at One Research Circle, Niskayuna, New York 12309 and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the invention and improvements which are the subject of an application for United States Patent which is a 371 filing of PCT/GB2007/004874 filed December 18, 2007 which claims priority from U.S. Serial No. 60/870,270 filed on December 18, 2006, and related applications and patents, entitled Method of and Software for Calculating a Scatter Estimate for Tomographic Scanning and System for Tomographic Scanning, this assignment including said application, any and all United States and foreign patents filed and/or granted for any of said inventions or improvements, including all divisions, continuations, reissues, continuations-in-part and extensions thereof, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our names or in its own name for patents and the like rights of exclusion and for inventor's certificates for said inventions and improvements; and we agree for ourselves and our heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment. Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patent referred to above to the Assignee, as the Assignee of the entire right, title and interest in and to the same, for the Assignee's sole use and behoof and for the use and behoof of the Assignee's legal representatives, successors and assigns, to the full end of the term for which such Letters Patent may be granted, as fully and entirely as the same would have been held by the Assignor had this assignment and sale not been made.
