## ASSIGNMENT

**WHEREAS**, I, Carl R. Douglass III, residing at 3185 8<sup>th</sup> Street NE, Willmar, Minnesota 56201, am the inventor and owner of the entire right, title, and interest in and to certain improvements in the inventions disclosed in the following applications for:

(1) United States Design Patent entitled PIPE RIB GASKET, executed by me of even date herewith and/or being identifiable in the United States Patent and Trademark Office by Application Serial No. 29/385537, filed on 02-15-2011; and

(2) United States Design Patent entitled CORRUGATION SADDLE GASKET, executed by me of even date herewith and/or being identifiable in the United States Patent and Trademark Office by Application Serial No. 29/385533, filed on 02-15-2011;

**WHEREAS**, Prinsco, Inc., a corporation organized and existing under and by virtue of the laws of the State of Minnesota, and having its principal place of business at 1717 16<sup>th</sup> Street NE, Willmar, Minnesota 56201, is desirous of acquiring the entire right, title, and interest in and to said inventions, the above-identified applications, corresponding domestic, international or foreign applications in any and all countries, and in and to any and all Letters Patent or Design Letters Patent or similar legal protection of any and all countries which may be granted thereon;

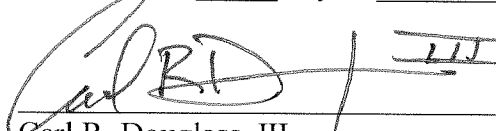

**NOW, THEREFORE**, Be It Known that for and in consideration of the sum of One Dollar (\$1.00), in hand paid to us by the said Prinsco, Inc., and for other good and valuable considerations, the receipt of all of which is hereby acknowledged, I hereby sell, assign, and transfer unto Prinsco, Inc., its successors, and assigns, the entire right, title, and interest, legal and equitable, in and to said inventions, the above-identified applications, corresponding domestic, international or foreign applications in any and all countries, including the right to claim priority from any and all prior related applications, and in and to any and all Letters Patent or Design Letters Patent or similar legal protection of any and all countries which may be granted thereon, including all rights and benefits under any applicable legal treaty or convention, and any and all reissues, divisionals, continuations, continuations-in-part, renewals, substitutions or extensions thereof;

**AND**, I hereby authorize and request the United States Commissioner of Patents and Trademarks, and appropriate foreign governmental officials, to issue any and all such United States or foreign Letters Patent under said inventions, or resulting from any of said applications thereof, to the Assignee;

**AND**, I further authorize the Assignee, its successors and assigns, or a duly authorized representative thereof, to complete this instrument by inserting the filing date and application number for each application identified herein when ascertained, but agree that failure to do so will not jeopardize the validity of this instrument;

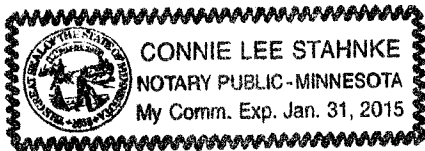

AND, I covenant and agree that at any time upon request and without further compensation, but at the expense of the Assignee, its successors and assigns, I will execute and deliver any and all other instruments in writing and do all lawful acts and things which, in the opinion of counsel for said Assignee, its successors and assigns, is deemed desirable or necessary in making application for and obtaining, maintaining and/or enforcing the Letters Patent or similar legal protection issued in respect of the above inventions in any and all countries.

Signed at \_\_\_\_\_, Minnesota, this 2 day of Feb, 2011.
