ASSIGNMENT

WHEREAS, I, Kristian R. Peschmann, a citizen of the United States, residing at 24890 Via Valmonte, Torrance, CA, 90505, have invented certain new and useful improvements in "Methods and Systems for the Rapid Detection of Concealed Objects Using Fluorescence", for which an application for Letters Patent in the United States has been filed on October 15, 2005 and assigned Serial No. 11/251,601, which claims priority from United States Provisional Patent Application Number 60/619,331; further claiming priority from United States Patent Application Number 10/910,250, entitled "Methods and Systems for the Rapid Detection of Concealed Objects, filed on May 10, 2005; and further claiming priority from United States Patent Application Number 10/662,778, of the same title, filed on September 15, 2003;

AND WHEREAS, Rapiscan Security Products, Inc. (hereinafter "ASSIGNEE"), a corporation, with its principal place of business at 2805 Columbia Street, Torrance, CA 90503, desires to acquire the entire right, title, and interest in and to the said improvements and the said Application:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, I, the said inventor, do hereby acknowledge that I have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title, and interest throughout the world in, to and under the said improvements, and the said application and all provisional applications relating thereto, and all divisions, renewals, continuations-in-part and continuations thereof, and all Letters Patent of the United States which may be granted thereon and all reissues and extensions thereof, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said improvements in any country or countries foreign to the United States, and all Letters Patent which may be granted for said improvements in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; and I hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said improvements to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND I HEREBY covenant and agree that I will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to me respecting said improvements, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, continuation-in-part, and reissue applications, make all rightful oaths and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said improvements in all countries.
