ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, **John Lee Horning** of 19586 Dorado Drive, Trabuco Canyon, CA 92679, an individual ("Assignor"), hereby sell, assign, transfer and convey to **Green Technology LLC** a Corporation of the State of Colorado, and having an office at 104 Thunder Ridge, Walla Walla, WA 99362 ("Assignee"), its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to:

(1) any and all improvements disclosed in United States Application Serial No.: 12/964,733, filed on December 9, 2010, (the "Application") entitled: **SEPARATION AND EXTRACTION OF DESIRED RECOVERABLE MATERIALS FROM SOURCE MATERIALS**

(2) all original and reissued Letters Patents that have been or shall be issued in the United States and in all foreign countries on any of said improvements; and in and to the Application and all divisional, continuing, reissue, extension, substitution and renewal applications, and all other patent applications that have been filed or shall be filed in the United States and in any foreign countries, on any of said improvements; and in and to all rights of priority attaching to said improvements, including all rights under the International Convention; and

(3) all proceeds of said Letters Patents (including but not limited to, all license royalties and proceeds of infringement suits); and in and to any and all causes of action (excepting claims upon the United States of America) for past, present, and future infringement of any of said Letters Patents, or relating to any inventions or discoveries described therein, including the right to collect royalties and seek injunctive relief, for all such infringements and the right to sue on all such causes of action for their own use and benefit and the use and benefit of their successors, assigns and legal representatives,

each and every of the foregoing rights, titles and interests herein assigned to be held and enjoyed by Assignee, its successors, assigns and legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue said Letters Patents to said Assignee in accordance herewith. Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which could conflict with this assignment, and that full right to convey said rights, titles and interest is possessed by the Assignor. Assignor further covenants and agrees that Assignor or Assignor's executors or administrators shall, at any time upon request, without further or additional consideration, but at the expense of said Assignee, its successors and assigns, execute such additional writings and do such additional acts as said Assignee, its successors and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, reissued or extended Letters Patents of the United States, or of any and all foreign countries on said improvements, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In Witness Whereof, Assignor has caused this Assignment to be duly executed in its name and behalf by affixing its hand and seal hereunto on the date written below.
