### ASSIGNMENT OF APPLICATION

I, Roger Allen Pankow, whose residence and post office address is as stated below next to my name, hereafter referred to as applicant and "Assignor", have invented certain new and useful improvements in MULTI-AXIS LEVEL.

Whereas, Idea Farm LLC a corporation of the state of Utah herein referred to "Assignee" whose mailing address is 975 East Wood Oak Lane, Salt Lake City, UT 84117 is desirous of acquiring the entire right, title and interest in and to the said invention within the United States of America and its territorial possessions and within all countries foreign to the United States and any United States or foreign Letters Patent that may be granted therefor; and in and to said application;

Now, therefore, in consideration of the sum of One Dollar (\$1.00) paid by the Assignee to the Assignor and other good and valuable considerations, the receipt of which is hereby acknowledged, the Assignor has sold, assigned and transferred and by these presents does hereby sell, assign and transfer unto the said Assignee the entire right, title and interest in and to the said invention within the United States of America and its territorial possessions and within all countries foreign to the United States and in and to said application and in and to any and all divisions, reissues, continuations and extensions thereof and in and to any United States or foreign Letters Patent that may be granted thereon, all said rights to be held and enjoyed by Assignee for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the full end of the term or terms for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment, transfer and sale had not been made.

The Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks and all authorized officials of foreign patent offices to issue the said Letters Patent, when granted, to said Assignee as the assignee of its entire right, title and interest in and to the same, for the sole use and enjoyment of said Assignee, its successors and assigns.
