ASSIGNMENT

WHEREAS, Monster Tanks, Inc., of 230 E. Main Street, Ste. 103, Morrison, IL 61270, (hereinafter referred to as Assignor), owns a certain invention entitled:

FRAC TANK STORAGE SYSTEM

for which invention an application (provisional or non-provisional) was executed for a U.S. patent, which was filed on January 3, 2011, under U.S. Application No. 12/983,719, and

WHEREAS, Chris Williams, of 230 E. Main Street, Ste. 103, Morrison, IL 61270, (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title, and interest in, to, and under the invention described in the patent application in the U.S. and every foreign country.

NOW, THEREFORE, for good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, Assignor assigns and transfers to the Assignee and the Assignee's legal representatives, successors and assigns the entire right, title, and interest in, to, and under the invention in the U.S. and every foreign country and the entire right, title, and interest in, to, and under the patent application and other such applications (e.g., provisional applications, non-provisional applications, continuations, continuations-in-part, divisionals, reissues, reexaminations, National phase applications, including petty patent applications, and utility model applications) that may be filed in the U.S. and every foreign country on the invention, and the patents, extensions, or derivations thereof, both foreign and domestic, that may issue thereon, and we do hereby authorize and request the Commissioner of Patents to issue U.S. patents to the above-mentioned Assignee agreeably with the terms of this assignment document.

ASSIGNOR HEREBY AUTHORIZES the Assignee to insert in this assignment document the filing date and application number of the application if the date and number are unavailable at the time this document is executed.

UPON SAID CONSIDERATION, Assignor conveys to the Assignee the right to make application in its own behalf for protection of the invention in the U.S. and countries foreign to the U.S. and to claim under the Patent Cooperation Treaty, the International Convention and/or other international arrangement for any such application the date of the U.S. application (or any other application on the invention) to gain priority with respect to other applications.

ASSIGNOR DOES HEREBY COVENANT and agree with the Assignee that it will not execute any writing or do any act whatsoever conflicting with the terms of this assignment document set forth herein, and that Assignor will at any time upon request, without further or
