## ASSIGNMENT AND AGREEMENT

For value received, I, **Sachin V. Patwardhan** of the city of Morris Plains in the County of Morris and State of New Jersey, hereby sell, assign and transfer to **Canfield Scientific, Incorporated**, a corporation having a place of business at 253 Passaic Avenue, Fairfield, New Jersey 07004, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **REFLECTANCE IMAGING AND ANALYSIS FOR EVALUATING TISSUE PIGMENTATION** described in an application for Letters Patent of the United States, filed **February 22, 2011** and assigned Serial No. **13/032,341**, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to **Canfield Scientific, Incorporated** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize **Canfield Scientific, Incorporated** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Canfield Scientific, Incorporated** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued to **Canfield Scientific, Incorporated** in the United States and in all countries foreign to the United States, or to such nominees as **Canfield Scientific, Incorporated** may designate.

I agree that, when requested, I shall, without charge to **Canfield Scientific, Incorporated** but at its expense, sign all papers, and do all acts which may be reasonably necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
