PATENT ASSIGNMENT (UNITED STATES)

THIS PATENT ASSIGNMENT (this "Assignment") is made and entered into effective January 31, 2011, by Shawn Engberg ("Assignor") in favor of Industrial Skins, LLC, a Nebraska limited liability company ("Assignee").

WHEREAS, Assignor has agreed to assign U.S. Patent Application no. 12/389,943, by Shawn Engberg, filed February 20, 2009, entitled *Ceiling Structure for Commercial Kitchens* (the "Patent") to Assignee.

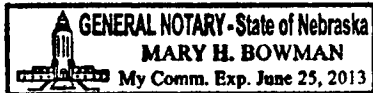

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby irrevocably sells, grants, assigns, transfers and conveys to Assignee all of Assignor's right, title and interest, together with all rights of priority, in and to the Patent, and including the subject matter of all claims that may be obtained therefrom, for Assignee's own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been executed, including without limitation all claims for damages by reason of past, present or future infringement or other unauthorized use of the Patent, with the right to sue for and collect the same.

Assignor hereby covenants that he has full right, power and authority and has been duly authorized to convey the right, title and interest herein assigned, and that he has not and will not execute any agreement in conflict herewith. Assignor further covenants that, when requested, he will execute all documents and take all such further actions as may be reasonably necessary to enable Assignee to obtain, maintain and enforce its rights and interests in and to the Patent.
