ASSIGNMENT

WHEREAS, I, Wladimir Brandtner, a citizen of Germany, residing at Lutzstraße 7, 83355 Grabenstätt, Germany, have invented and own a certain invention entitled DRINK CAN CLOSURE ELEMENT for which a patent application has been made for Letters Patent of the United States, said application having been executed on even date therewith, and which may be identified in the United States Patent and Trademark Office by Serial No. _____ filed _____, 2011; and

WHEREAS, WB INNOVATIONS LIMITED, a corporation incorporated in Great Britain, having a place of business at 69 Great Hampton Street, Birmingham B18 6EW, Great Britain (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest in and to said invention, said application and in, to and under any and all Letters Patent to be obtained therefor;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and other good and valuable considerations to me in hand paid by said Assignee, the receipt of which is hereby acknowledged, we have sold, assigned and transferred, and by these presents do hereby sell, assign and transfer unto the said Assignee, its successors and assigns, our entire right, title and interest in and to said invention, said application and the Letters Patent, that may or shall issue, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned assignee in accordance herewith.

I hereby authorize the above-mentioned assignee, its successors and assigns or anyone it may properly designate, to insert in this instrument the filing date and Serial Number of said application when ascertained.

Upon said consideration, we do hereby covenant and agree with the said assignee, its successors and assigns, that we will not execute any writing or do any act whatsoever conflicting with these presents, and that we or our executors or administrators will at any time upon request, without further or additional consideration, but at the expense of said assignee, its successors and assigns, execute such additional writings and do such additional acts as said assignee, its successors and assigns, may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional, continuation, reissued or extended Letters Patent of the United States, and in enforcing any rights, occurring as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents.

In witness whereof, we have hereunto set our hand and affixed our seal.
