ASSIGNMENT

For valuable consideration, we, ...Stephen J. Reber... of Nashua, New Hampshire; ...Eric C. Peters... of Carlisle, Massachusetts; ... and ... hereby assign to Avid Technology, Inc. a Delaware corporation having a place of business at 3 Burlington Woods, Burlington, MA and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are the subject of an application for United States Patent S.N. 455,568, filed December 22, 1989 signed by us this day, entitled Media Storage and Retrieval System....

this assignment including said application and any and all the United States and foreign patents granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and we authorize the Assignee to apply in all countries in our name or in its own name for patents and like rights of exclusion and for inventors' certificates for said inventions and improvements; and we agree for ourselves and our respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

IN WITNESS WHEREOF, I hereto set my hand and seal at Burlington Mass, this 14th day of February, 1990.
