A S S I G N M E N T

WHEREAS, I, Akli Adjaoute, residing at 3 Community Rd, Belvedere, California 94920, have made an invention entitled:

SYSTEMS AND METHODS FOR ADAPTIVE IDENTIFICATION OF SOURCES OF FRAUD

and

(1) am about to make an application for United States Letters Patent therefor, the same having been executed by me on even date herewith

OR

(2) have made an application for United States Letters Patent therefor, the same having been filed on (\_\_\_\_\_) under Application No. (\_\_\_\_\_), in connection with which I hereby authorize and request the assignee's attorneys associated with Customer Number 36532 to insert within the foregoing parentheses the filing date and Application No. of said application when known; and

WHEREAS, BRIGHTERION, INC., a corporation organized and existing under the laws of the State of Delaware and having an address of 150 Spear Street, 10th Floor, San Francisco, California 94105, is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) paid, and other good and valuable consideration, the receipt and

IMN-003

sufficiency of which is hereby acknowledged, I do hereby sell, assign and transfer unto the said BRIGHTERION, INC., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations, continuations-in-part and divisions thereof, and any substitute applications therefor, and including the right to claim priority under the International Convention based on said patent application, and any patent which may issue thereon, and any reissues of the same; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same;

and I hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said BRIGHTERION, INC. as the assignee of the entire interest therein; and I further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, I have hereunto signed my name on the date indicated hereinafter.
