## ASSIGNMENT

Whereas, I, **Werner Schick**, have solely invented certain new and ornamental improvements in a "**Food Container**", for which I filed U.S. Patent Application No. 29/385,560 on February 16, 2011 (Porter, Wright, Morris & Arthur LLP Docket Number 4000841-186112);

And whereas, **Pöppelmann Holding GmbH & Co. KG**, a corporation duly organized and existing under the laws of the Germany and having a place of business at Bakumer Strasse 73, D-49393 Lohne, Germany, is desirous of acquiring the entire right, title and interest in, to and under said invention and said patent application, any continuing applications, continuations-in-part, divisional applications, refiled or reissue applications made in the United States of America which may result from said invention and information disclosed in said application, and any and all Letters Patent of the United States which may be issued therefrom;

Now, therefore, for good and valuable consideration, the receipt of which is hereby acknowledged, I, **Werner Schick**, do hereby sell, assign and transfer to **Pöppelmann Holding GmbH & Co. KG** the entire and undivided right, title and interest in and to our invention of new and ornamental improvements in and to a "**Food Container**", said application for letters patent, the invention therein described, and all rights appurtenant thereto and in all my applications related thereto in the United States of America, including each of the following: the right to apply for any letters patent for said invention in the United States of America, any and all other applications for letters patent on said invention including all divisional, renewal, substitute and continuation applications based in whole or in part upon said invention or upon said application or related thereto; any and all letters patent that may issue thereon in the United States of America and any and all reissues, extensions, renewals, divisions, or continuations of letters patent granted for said inventions or upon said applications, to the full end of the term or terms for which said letters patent may be issued; and every priority or other right accorded by every international convention, treaty or agreement that is or may be predicated upon or arise from said invention, application and other applications or letters patent therefor, all to be held and enjoyed by **Pöppelmann Holding GmbH & Co. KG**, its successors and assigns, all the same as I would have held and enjoyed had this Assignment not been made.

I hereby request and authorize the Commissioner of Patents and Trademarks of the United States of America to grant, issue and transfer any letters patent for said invention to **Pöppelmann Holding GmbH & Co. KG** as assignee of the entire right, title and interest therein, in accordance with this instrument of assignment.

IN WITNESS WHEREOF, I have duly executed this Assignment as of the date written below.
