RELEASE OF SECURITY INTEREST

THIS RELEASE OF SECURITY INTEREST ("Release") is dated as of this 15th day of September, 2009. Reference is hereby made to that certain IP Security Agreement dated August 31, 2006 (as amended, restated, or otherwise modified, the "Security Agreement"), among Beechtree VeriFIDES Management, LLC (hereinafter "Borrower"), and General Dynamics Advanced Information Systems, Inc., (hereinafter, "Lender"). Capitalized terms used and not otherwise defined herein have the respective meanings set forth in the Security Agreement.

WHEREAS, Borrower has granted a security interest to Lender for the benefit of Lender in the patents, patent applications, and registered trademarks described in the Security Agreement;

WHEREAS, the security interest was recorded on September 7, 2006 with the United States Patent and Trademark Office under reel and frame numbers 018224/0924 with respect to: (a) the patents and pending patent applications described in the Security Agreement and attached on Schedule A, including any reissues, divisionals, continuations, continuations-in-part, re-examinations, renewals, extensions thereof and any foreign counterparts of any of the foregoing, and all income, royalties, damages and payments now or previously due and/or payable under or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing and the right to sue for past, present and future infringements of any of the foregoing (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the "**Patents**"), and on September 7, 2006 with the United States Patent and Trademark Office under reel and frame numbers 003384/0711 with respect to (b) the trademark registrations described in the Security Agreement and attached on Schedule B, including all renewals thereof, and all income, royalties, damages

and payments now or previously due and/or payable under or with respect to any of the foregoing, including, without limitation, damages and payments for past, present and future infringements of any of the foregoing and the right to sue for past, present and future infringements of any of the foregoing (all of the foregoing are sometimes hereinafter individually and/or collectively referred to as the "**Trademarks**") (the Patents and Trademarks are sometimes hereinafter referred to as the "Intellectual Property Collateral"); and

WHEREAS, Borrower and Lender have reached an agreement such that Lender is willing to release any security interest in the Intellectual Property Collateral.

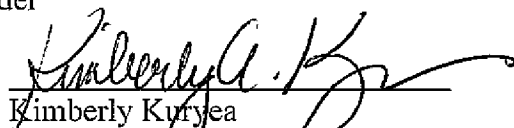

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Lender hereby agrees as follows:

1. The Lender hereby releases the security interests granted to it pursuant to the Security Agreement in the Intellectual Property Collateral, including any rights corresponding to the Intellectual Property Collateral throughout the world and the goodwill of Borrower's business associated with the Trademarks, and reassigns to the Borrower any and all right, title, and interest the Lender may have had in such Intellectual Property Collateral under the Security Agreement.

2. The Lender hereby authorizes the Borrower to file (i) termination statements relating to any financing statements filed in connection with the Security Agreement and (ii) a copy of this Release with the United States Patent and Trademark Office.
