ASSIGNMENT AGREEMENT

WHEREAS, the undersigned assignors

Joshua Silvertown of 124 Orchard View Boulevard, Toronto, ON M4R 1C2; and

Jeffrey Medin of 251 Cocksfield Avenue, North York, ON M3H 3T8,

(the "Assignors"), own an invention relating to and entitled

**MODIFIED H2 RELAXIN FOR TUMOR SUPPRESSION**

(the "Invention"), as set forth and described in the following patent applications:

- a) CIPO Patent Office: Patent Application number: WO 2007/115414 A1
- b) US Patent and Trademark Office: Patent Application Number: PCT/CA2007/000604, USA Application No.: 12/664,824; Australia Application No.: 2007236516;

AND WHEREAS,

Armour Therapeutics Inc. (the "Assignee")

desires to acquire the entire right, title, interest, property and benefit in and for Canada, and all other countries in the world, in and to the Invention held by the Assignors;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignors agree to and do hereby:

sell, assign, transfer and set over to the Assignee, and to the Assignee's successors, assigns, nominees or other legal representatives, its entire right, title, interest, property and benefit including any right to sue for past infringements in and for Canada, and all other countries and jurisdictions in the world, in and to the Invention, any and all applications filed therefor, including any and all corresponding applications whether in the form of divisions, continuations, re-examinations, re-issues and extensions thereof, any and all patents that may issue, be granted or result therefrom for the Invention, and any and all rights of priority resulting from the filing of any of the above-identified applications and any previously filed applications in respect of the Invention under international conventions, treaties or otherwise, the same to be held and enjoyed as fully and exclusively as the same would have been held and enjoyed by any and all of the Assignors had this assignment not been made;

authorize and request the Commissioner of Patents of the duly constituted authorities of all foreign countries of the world to issue all Letters Patent granted for said Invention, whether on said application or on any subsequently filed divisional, continuation, continuation-in-part, re-examination, reissue or other application, to Assignee, its successors and assigns, as the assignee of the entire interest in said Invention; and

**PATENT**

**REEL: 025934 FRAME: 0089**

do all lawful acts and to execute and deliver, without further consideration, all further documents as may reasonably be required by the Assignee, or by its successors, assigns, nominees, or other legal representatives, including, but not limited to, documents required to obtain said patents in Canada and all other countries and jurisdictions for the invention and vest or secure the same in the Assignee, and in the Assignee's successors, assigns, nominees or other legal representatives.

The Assignors represent and warrant that they have not granted and will not grant to others any rights inconsistent with the rights granted herein.

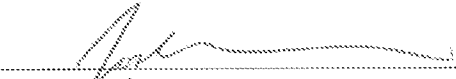

Each of the Assignors represents and warrants that he has read and fully understands the terms and provisions hereof, has had an opportunity to review this Agreement with legal counsel, and has executed this Agreement based upon his own judgment and advice of independent legal counsel (if sought).

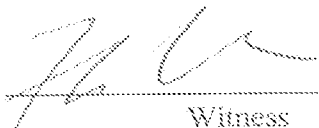

THIS ASSIGNMENT may be executed in counterparts, all of which shall be considered one and the same agreement, and is binding on the heirs, executors, successors and administrators of the Assignors.

DATED this 05 day of July, 2010.
