AVTAL AVSEENDE RÖRELSEÖVERLÅTELSE

Detta avtal avseende rörelseöverlåtelse ("Avtalet") har denna dag träffats mellan

- (1) Net Insight AB (publ), 556533-4397 ("NIAB"); och
- (2) NIIP HB, 969685-6344 ("NIHB").

1 Bakgrund

- 1.1 NIAB utvecklar och säljer nätverksutrustning för fiberoptiska data-, telefoni- och videonät. Inom ramen för verksamheten utvecklar, förvaltar och exploaterar NIAB teknologi för överföring av data-, telefoni- och video via fiberoptiska nät ("Rörelsen").
- 1.2 I Rörelsen ingår de immateriella rättigheter som närmare beskrivs i Bilaga 1 samt kunskaper, erfarenheter och annan information avseende rättigheterna och hur de exploateras (gemensamt "Rättigheterna"). Den nätverksutrustning som NIAB utvecklar och säljer är baserad på Rättigheterna och kräver i vissa fall för sin avsedda användning att användaren genom licens från NIAB ges rätt att använda Rättigheterna.

2 Överlåtelse

- 2.1 NIAB överlåter härmed Rörelsen till NIHB.
- 2.2 I överlåtelsen ingår endast Rättigheterna, samt samtliga rättigheter och förpliktelser hänförliga till Rättigheterna såsom i förekommande fall åtaganden gentemot uppfinnare eller andra rättighetshavare, dock inte avtal, såsom licens- och underhållsavtal, mellan NIAB och köpare av nätverksutrustning, och inte heller de avtal som närmare beskrivs i Bilaga 2.
- 2.3 Överlåtelsen av Rörelsen sker per den 1 december 2004. Parterna skall, så snart det lämpligen kan ske, verkställa en avräkning mellan sig så att NIHB tillskrivs den ekonomiska nyttan och bördan av de tillgångar och skulder som härigenom överlåts, varvid även det licensavtal och det uppdragsavtal som denna dag träffats mellan parterna skall anses ha ingåtts per den 1 december 2004.

3 Köpeskilling

- 3.1 Köpeskillingen för Rörelsen uppgår till [REDACTED] och skall erläggas vid anfordran.
- 3.2 Parterna har bedömt att mervärdesskatt inte skall utgå avseende överlåtelsen. Om mervärdesskatt trots detta skulle påföras, skall NIHB vid anfordran erlägga den sålunda påförda mervärdesskatten jämte av Skatteverket debiterad ränta till NIAB.

4 Garantier

NIAB garanterar att Rättigheterna tillhör NIAB, dock med de begränsningar som kan följa av ingångna avtal eller andra åtaganden enligt 2.2 ovan. I övrigt lämnar NIAB inga garantier avseende Rörelsen eller Rättigheterna utan överlåter Rörelsen och Rättigheterna i befintligt skick. Sålunda tar NIAB inget ansvar för Rörelsen eller dess tillgångar eller skulder.

5 Övriga bestämmelser

- 5.1 Alla skriftliga eller muntliga åtaganden och utfästelser som föregått detta Avtal ersätts av innehållet i detta Avtal. Ändringar och tillägg till Avtalet skall ske skriftligen och undertecknas av både NIAB och NIHB.
- 5.2 Parterna skall underteckna alla handlingar och vidta de andra åtgärder som kan komma att erfordras för att på enklast möjliga sätt genomföra överlåtelsen av Rörelsen, inklusive Rättigheterna. Bland annat skall, när så begärs av NIHB, NIHB antecknas som innehavare till samtliga patent och patentansökningar och andra registrerade rättigheter som ingår i Rättigheterna, varvid NIAB skall medverka i den utsträckning som kan erfordras.

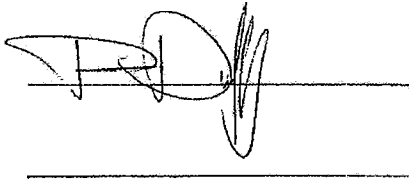

6 Tvist

Tvist i anledning av detta Avtal skall slutligt avgöras genom skiljedom enligt Stockholms Handelskammarers Skiljedomsinstituts Regler för Förenklat Skiljeförfarande. Skiljeförfarandet skall äga rum i Stockholm.

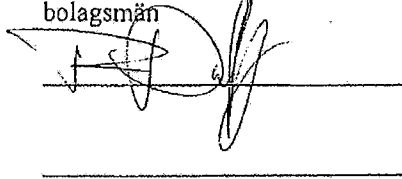

Detta Rörelseöverlåtelseavtal har upprättats i två originalexemplar, av vilka parterna
erhållit var sitt.

CONTRACT RELATING TO BUSINESS TRANSFER

This contract relating to a business transfer ('the Contract') has been concluded on this date between

- (1) **Net Insight AB (publ)**, corporate ID no. 556533-4397 ('NIAB'); and
- (2) **NIIP HB**, corporate ID no. 969685-6344 ('NIHB').

1 Background

- 1.1 NIAB develops and sells network equipment for fibre-optic data, telephony and video networks. Within the framework of this operation, NIAB develops, manages and utilises technology for transferring data, telephony and video via fibre optic networks ('the Business').
- 1.2 The Business includes the intellectual property rights described in more detail in Appendix 1 together with the knowledge, experience and other information relating to these rights and how they are utilised (jointly referred to as 'the Rights'). The network equipment developed and sold by NIAB is based on these Rights and its intended use requires in certain cases users to have a licence from NIAB entitling them to use the Rights.

2 Transfer

- 2.1 NIAB hereby transfers the Business to NIHB.
- 2.2 This transfer only includes these Rights, together with all of the rights and obligations referable to these Rights such as, when applicable, commitments in relation to inventors or other holders of rights, though not contracts (such as licensing and maintenance agreements) between NIAB and purchasers of network equipment, nor the agreements described in more detail in Appendix 2.
- 2.3 The transfer of the Business shall take place on 1 December 2004. The Parties, as soon as this can be done in an appropriate way, shall make a settlement between themselves so that the economic benefits together with the burden of the assets and liabilities thus transferred are conferred to NIHB, in which connection the licensing agreement and the assignment agreement concluded on this date between the Parties shall also be deemed to have been entered into on 1 December 2004.

3 Purchase price

- 3.1 The purchase price for the Business amounts to [deleted] and shall be paid on demand.
- 3.2 The Parties have made the assessment that value added tax should not be payable regarding the transfer. If value added tax is to be charged notwithstanding this, NIHB shall pay on demand the value added tax thus levied together with the interest charged to NIAB by the Swedish Tax Agency.

4 Guarantees

NIAB guarantees that the Rights belong to NIAB, though with the restrictions that may ensue from contracts entered into or other commitments referred to in 2.2 above. NIAB provides no guarantees otherwise in relation to the Business or the Rights, but transfers the Business and the Rights as found. NIAB therefore takes no responsibility for the Business or its assets or liabilities.

5 Other provisions

5.1 All written or verbal commitments and undertakings that preceded this Contract shall be replaced by the content of this Contract. Amendments and supplements to the Contract shall be made in writing and signed by both NIAB and NIHB.

5.2 The Parties must sign all documents and take any other measures that may be required in order to implement the transfer of the Business, including the Rights, as simply as possible. For example, when NIHB so requests, NIHB shall be noted down as the owner of all patents and patent applications and other registered rights forming part of the Rights, in which connection NIAB shall participate to the extent that may be required.

6 Disputes

Any dispute resulting from this Contract shall be finally determined through arbitration in accordance with the Rules on Expedited Arbitration of the Arbitration Institute of the Stockholm Chamber of Commerce. The arbitration proceedings shall take place in Stockholm.

This Business Transfer Contract has been drawn up as two original counterparts, of which each of the Parties has received its part.
