## ASSIGNMENT

**WHEREAS**, A & M Industries, LLC, a limited liability company operating and existing under the laws of the State of New Jersey, having a principal place of business at 105 Davenport Road, Kennett Square, PA 19348 (hereinafter referred to as the "Assignor") is the owner of a new and useful invention entitled EXTERNALLY MOUNTED MECHANICAL VALVE SHUTOFF DEVICE WITH TIMER ("Invention") for which patent applications ("Applications") covering the invention have been filed with the United States Patent and Trademark Office as identified on Schedule A hereto; and

**WHEREAS**, Turtle Industries, LLC, a limited liability company organized and existing under the laws of the Commonwealth of Pennsylvania, having a principal place of business at 1631 Williams Way, Norristown, PA 19403 (hereinafter referred to as the "Assignee") is desirous of acquiring said Invention and said Applications.

**NOW, THEREFORE**, in consideration of the sum of One Dollar (\$1.00), and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound hereby, A & M Industries, LLC, the undersigned Assignor, hereby agrees to sell, assign, transfer and convey, and by these presents does sell, assign, transfer and convey to the above-identified Assignee, the whole and entire right, title and interest:

- (i) in and to said Invention, as described in said Applications, for the territory of the United States and its possessions and territories, and for all foreign countries;
- (ii) in and to said Applications;
- (iii) in and to any and all regular utility, divisional, reissue, continuation or continuation-in-part application claiming the benefit of said Applications; and
- (iv) any and all United States and foreign Letters Patent which may be granted on said Applications or any application claiming the benefit of said Applications, and all United States and all foreign Letters Patent or similar rights and/or grants which may be granted on said Invention;

said Invention, and Letters Patent to be held and enjoyed by the above-identified Assignee, for Assignee's legal representatives and assigns, as fully and as entirely as the same would have been held by the undersigned Assignor as if this Assignment had not been made.

For the aforesaid consideration, Assignor hereby covenants, agrees, and undertakes to execute, whenever requested by the above-identified Assignee, all patent applications, assignments, lawful oaths and any other papers which Assignee may deem necessary for securing to Assignee or for maintaining for Assignee, all of the right, title and interest hereby assigned or to be agreed to be assigned, all without further compensation to the undersigned Assignor.

It is agreed that the Assignor shall be legally bound, upon request of the Assignee, to supply all information and evidence relating to the making and practice of said Invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the Invention in the United States and foreign countries in the name of the Assignee, and to execute all instruments proper to carry out the intent of this instrument.

Assignor further assigns for the above consideration, any and all claims and causes of action which may heretofore have arisen or which may hereafter arise for infringement or other violation of any right accruing from said Invention and Applications.

IN WITNESS WHEREOF, Assignor executes this Assignment of Intellectual Property as of the place and date written below.

EXECUTED, in Kennett Square, Pennsylvania, U.S.A.,

this 10<sup>th</sup> day of March, 2011.
