ASSIGNMENT

WHEREAS, I, **Gail Bruce**, a U.S. citizen residing in Charlotte, North Carolina, U.S.A. (hereinafter referred to as "ASSIGNOR"), am the co-inventor of certain new and useful improvements in a *Vehicle Tie-Down Device for Hauling a Load* (hereinafter referred to as the "INVENTION"), for which a Non-Provisional Patent Application is being filed in the United States Patent Office on my behalf. I hereby authorize and request my patent attorney, R. Brian Johnson (Patent Office Registration No. 45,951), of the law firm Summa, Additon & Ashe, P.A. with an office at 11610 North Community House Road Charlotte North Carolina 28277, to insert into the following blanks (i) the United States Serial Number assigned to the above-referenced Non-Provisional Patent Application (13/034,013) and (ii) the filing date of the application (February 24, 2011) when known.

WHEREAS, **Global Consumer Products Inc.**, (hereinafter referred to as "ASSIGNEE"), an Illinois corporation formed as of February 13, 2011 with an initial business address of 24687 Iroquois Lane Hudson Illinois 61748, is desirous of acquiring the entire right, title, and interest in and to said-invention as described in said NON-PROVISIONAL APPLICATION, and in and to any and all Letters Patent that shall be granted with respect to said invention in the United States of America and all foreign countries;

NOW, THEREFORE, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I, the ASSIGNOR, have sold and by these presents do hereby sell, assign, transfer, and convey unto the ASSIGNEE, its successors and assigns, the entire right, title, and interest in and to said invention, and in and to said NON-PROVISIONAL APPLICATION, continuations, continuations-in-part, or divisions thereof, and in and to any and all international and foreign applications, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues thereof that may be granted therefor or thereon for the full end of the term for which said Letters Patent may be granted, together with the right to claim the priority of said NON-PROVISIONAL APPLICATION in the United States and in all foreign countries in accordance with the International Conventions, the same to be held and enjoyed by the ASSIGNEE, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by me if this assignment and sale had not been made.

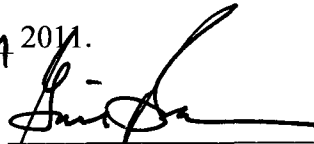

I hereby request that said Letters Patent be issued in accordance with this Assignment.

I further covenant and agree that, at the time of the execution and delivery of these presents, I possess full title to said invention and said application, and that I have the unencumbered right and authority to make this assignment.

I further covenant and agree to bind my heirs, legal representatives, and assigns, promptly to communicate to the ASSIGNEE or its representatives any facts known to me relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers that may be requested to confirm the right of the ASSIGNEE, its representatives, successors or assigns to secure patent or similar protection for said invention in all countries and to vest in the ASSIGNEE complete title to said invention and Letters Patent, without further compensation, but at the expense of the ASSIGNEE, its successors, assigns and other legal representatives.

IN WITNESS WHEREOF, I have hereunto signed my name on the day and year set forth below.

Executed this 26th day of February 2011.
