### ASSIGNMENT

THIS ASSIGNMENT, made by Vertical Solutions, Inc., a North Carolina corporation, having a principal place of business at 2002 Production Dr., Apex, NC 27539, hereinafter referred to as Assignor;

WITNESSETH: That,

WHEREAS, the above-named corporation is the employer of at least one of the named inventors in the patent application entitled, **METHODS OF MODIFYING ERECT CONCEALED ANTENNA TOWERS AND ASSOCIATED MODIFIED TOWERS AND DEVICES THEREFOR** for which U.S. Application No. 13/008,400 was filed on January 18, 2011 in the United States Patent and Trademark Office; and

WHEREAS, TowerCo Staffing, Inc., a Delaware corporation, having a principal place of business at 5000 Valleystone Drive, Suite 200, Cary, NC 27519, hereinafter referred to as Assignee, has entered into a contract with Assignor in which Assignor has assigned or is under obligation to assign its entire right, title, and interest in and to said invention(s) as described in said application, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries;

NOW, THEREFORE, To All Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the above Assignor has sold, assigned, conveyed and transferred or by these presents does hereby sell, assign, transfer, and convey unto the said Assignee, its successors and assigns, the entire right, title, and interest in and to the said invention(s) and application, and in and to any and all continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of said application in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Attorney Docket No. 9786-2IP  
Application Serial No. 13/008,400

The Assignor hereby requests that said Letters Patent be issued in accordance with this assignment.

The Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, it possesses full title to the invention and patent application thereon as earlier identified, and that it has the unencumbered right and authority to make this assignment.

The Assignor further covenants and agrees to promptly communicate to said Assignee or its representatives any facts known to the Assignor relating to said invention, to testify in any interference or legal proceedings involving said invention, to execute any additional papers which may be requested to confirm the right of the Assignee, its representatives, successors, or assigns to secure patent or similar protection for the said invention in all countries and to vest in the Assignee complete title to the said invention and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives; and the Assignor hereby instructs, and further covenants and agrees to bind its legal representatives and assigns, to do same, without further compensation, but at the expense of said Assignee or its representatives.
