ASSIGNMENT

Serial No. 13/045,360

Filed 3/10/2011

In consideration of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned hereby assign(s) to

SIELC Technologies Corporation, an Illinois corporation,
65 E. Palatine Road, Suite 221, Prospect Heights, Illinois 60070

its successors and assigns (hereinafter called "said assignee"), the entire right, title and interest in the invention of the undersigned disclosed in an application for Letters Patent of the United States, titled

Magnetic Reciprocating Pump

executed by the undersigned on the 10th day of March, 2011, and in said application and any and all other applications for Letters Patent of the United States, which the undersigned may file, either solely or jointly with others, on said invention, and in any and all Letters Patent of the United States which may be obtained on any of said applications, and in any reissue or extension thereof.

The undersigned hereby authorize(s) and request(s) the Commissioner of Patents to issue said Letters Patent to said assignee.

The undersigned hereby authorize(s) and request(s) the attorneys of record in said application to insert in this assignment the date and serial number of said application.

For said consideration, the undersigned hereby agree(s), upon the request and at the expense of said assignee, to execute any divisional, continuation or substitute application for said invention, and any oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and, in the event of any application or Letters Patent assigned herein becoming involved in Interference, to cooperate to the best of the ability of the undersigned in the matters of preparing and executing the preliminary statement and giving and producing evidence in support thereof. The undersigned agree(s) to perform, upon request and upon receipt of suitable compensation, any affirmative acts to obtain said Letters Patent of the United States and vest in said assignee all rights therein, whereby said Letters Patent will be held and enjoyed by said assignee, to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment had not been made.

And for said consideration, the undersigned hereby assign(s) to said assignee the entire right, title and interest in said invention for all foreign countries, including all priority rights under the International Convention, and agree(s) to execute, at the request of said assignee, all documents in connection with any application for foreign letters patent therefor.
