## ASSIGNMENT

WHEREAS, I, Jeffery B. Moler (hereinafter referred to as "Assignor"), having invented certain new and useful improvements as described and set forth in the below-identified application for United States Letters Patent:

Title of Invention:        Smart Material Actuator with Enclosed Compensator

WHEREAS, Viking AT, LLC, a Florida limited liability company having its principal place of business at 1219 Starboard Lane, Sarasota, FL 34242 (hereinafter referred to as "Assignee"), is desirous of acquiring the entire right, title and interest in the said invention and application and in any Letters Patent which may be granted on the same;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN: Be it known that, for One Dollar (\$1.00) and other good and valuable consideration, receipt of which is hereby acknowledged by Assignor, Assignor has sold, assigned and transferred, and by these presents does sell, assign and transfer unto the said Assignee, and Assignee's successors and assigns, all right, title and interest in and to the said invention, said application for United States Letters Patent, and any Letters Patent which may hereafter be granted on the same in the United States and all countries throughout the world including any divisions, renewals, continuations in whole or in part, substitutions, conversions, reissues, prolongations or extensions thereof, said interest to be held and enjoyed by said Assignee as fully and exclusively as it would have been held and enjoyed by said Assignor had this assignment and transfer not been made, to the full end and term of any such Letters Patent, and I hereby authorize and request the Commissioner of Patents and Trademarks to issue said United States Patent to said Assignee.

Assignor further agrees that Assignor will, without charge to said Assignee, but at Assignee's expense, cooperate with Assignee in the prosecution of said application and/or applications, execute, verify, acknowledge and deliver all such further papers, including applications for Letters Patent and for the reissue thereof, and instruments of assignment and transfer thereof, and will perform such other acts as Assignee lawfully may request, to obtain or maintain Letters Patent for said invention and improvement in any and all countries, and to vest title thereto in said Assignee, or Assignee's successors and assigns.

IN TESTIMONY WHEREOF, Assignor has hereunto signed his name and delivered this Assignment to Assignee this \_\_ day of February, 2011.
