ASSIGNMENT

WHEREAS, one or more inventions have been made by the undersigned in

MULTI-BAND MONOPOLE ANTENNA FOR A MOBILE COMMUNICATIONS DEVICE

and are the subject of a patent application filed in the United States Patent and Trademark Office on May 9, 2005, under Application Serial No. 11/124,768, which application is identified as Jones Day Docket No. 153454600046.

WHEREAS, Fractus, S.A., a corporation of Spain, located at C. Alcalde Barnils, 64-68, Edificio Testa-Modulo C, 3º, Parque Empresarial Sant Joan, Sant Cugat del Vallès, E-08190 Barcelona, SPAIN, hereinafter referred to as "assignee", is desirous of acquiring all right, title, and interest throughout the world in, to, and under said inventions and patent rights therefor.

NOW, THEREFORE, be it known that, for valuable consideration, the receipt and sufficiency of which are hereby acknowledged, all right, title, and interest, in the United States and throughout the world, in, to and under said inventions and all patents, patent applications, patent rights, and inventor's certificates thereof, therefor, and therein, including without limitation said provisional patent application, all utility applications which may be filed claiming priority to said provisional patent application and all divisions and continuations thereof, all patents which may be granted based on any patent application claiming priority to said provisional patent application, all reissues and extensions of any patent claiming priority to said provisional patent application, all right to sue for past infringement under any patent claiming priority to said provisional patent application, all patents which may be granted for said inventions by states or nations other than the United States, or by other authority, entity, or organization, and all applications therefor, HAVE BEEN AND ARE HEREBY SOLD, ASSIGNED, TRANSFERRED, AND DELIVERED UNTO ASSIGNEE, ITS SUCCESSORS AND ASSIGNS; and it is covenanted and agreed by the undersigned, and for executors, administrators, and legal representatives of the undersigned, that at assignee's request any and all applications, affidavits, assignments, and other instruments will be made, executed, and delivered as may be necessary, or desirable to secure for or vest in assignee, its successors or assigns, any improvement, inventions, right, title, interest, application, patent, patent right or other right or property covered by this assignment, and the United States Commissioner of Patents and Trademarks is hereby requested and authorized to issue any and all United States patents granted on any of said applications to assignee as owner of the entire right, title, and interest in, to, and under the same, and appropriately empowered officials of foreign countries are hereby authorized to issue any letters patent granted on any of said applications to assignee as owner of the entire right, title and interest in, to, and under the same.

The undersigned hereby grants the firm of Jones Day the power to insert on this assignment any further identification which may be necessary or desirable in order to comply with the rules of the United States Patent and Trademark Office for recordation of this document.
