RELEASE OF SECURITY INTEREST IN UNITED STATES PATENTS

This RELEASE OF SECURITY INTEREST IN UNITED STATES PATENTS ("Release") is dated as of March 17, 2011 by GOLDMAN SACHS LENDING PARTNERS LLC, located at 200 West Street, New York, NY 10282, as Collateral Agent (the "Agent") in favor of the parties listed on Schedule A hereto (the "Credit Parties").

WHEREAS, the Credit Parties entered into a Credit Agreement dated as of September 30, 2010 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement") with the financial institutions named therein (collectively, together with their respective successors and assigns party to the Credit Agreement from time to time, the "Lenders"), and Goldman Sachs Lending Partners LLC, as Agent and Collateral Agent for the Lenders, pursuant to which Lenders made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to the Credit Parties;

WHEREAS, pursuant to the terms of the Pledge Agreement dated as of September 30, 2010 (the "Pledge Agreement," capitalized terms not otherwise defined herein have the meanings given to them in the Pledge Agreement), and among the Credit Parties, Agent, and the other parties thereto, Assignee created in favor of Agent a security interest in, and the Credit Parties became a secured creditor with respect to the Patent Collateral (defined below);

WHEREAS, subject to the terms and conditions of the Pledge Agreement, to evidence further the security interest granted by Credit Parties to Lender pursuant to the Pledge Agreement, the Credit Parties and Lender entered into that certain Patent Security Agreement, dated as of September 30, 2010 (the "Patent Security Agreement");

WHEREAS, the Patent Security Agreement was recorded with the United States Patent and Trademark Office on November 8, 2010 at Patent Reel 025324, Frame 0757;

WHEREAS, pursuant to the Pledge Agreement and the Patent Security Agreement, the Credit Parties granted to the Agent for the benefit of the Lenders a security interest in all of the Credit Parties' right, title and interest in and to the Patents that the Credit Parties own (including, without limitation, those items listed on Schedule B hereto) (collectively, the "Patent Collateral"); and

WHEREAS, the Credit Parties and Agent desire that Agent terminates and releases its security interest in the Patent Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

Agent hereby terminates, releases and discharges fully its lien on, and security interest in and to the Patents and, all of the right, title and interest of the Agent in, to and under the Patent Collateral, including but not limited to the Patents listed on Schedule B hereto, and the

Agent hereby reassigns and transfers any and all interest that the Agent may have in the Patent Collateral to the Credit Parties.

Agent hereby authorizes the Credit Parties or the Credit Parties' authorized representative to (i) record this Release with the United States Patent and Trademark Office, (ii) file UCC Financing Statement Amendments with the applicable filing office in order to memorialize the release of any security interest of Agent in the Patent Collateral, and/or (iii) otherwise record or file this Release in the applicable governmental office or agency.

Agent further agrees to execute and deliver to Assignee any and all further documents and instruments, and do any and all further acts which Assignee (or its agents or designees) reasonably request (at Assignee's sole cost and expense) in order to confirm this Release and Assignee's right, title, and interest in or to the Patent Collateral.

[Remainder of this page intentionally left blank; signature page follows]

IN WITNESS WHEREOF, the Agent has caused this Release to be duly executed and delivered by its duly authorized officer as of the day and year first above written above.

GOLDMAN SACHS LENDING PARTNERS LLC,
as Collateral Agent for the Lenders
