ASSIGNMENT OF PATENT

Effective April 27, 2006, RIVERSTONE NETWORKS, INC., a Delaware corporation ("Parent"), located at 5200 Great America Parkway, Santa Clara, California 95054, and its undersigned direct and indirect subsidiaries (which, including the Parent, are each individually referred to herein as a "Seller" and are collectively with the Parent referred to herein as the "Sellers"), hereby convey, transfer, assign and deliver to LUCENT TECHNOLOGIES INC., a Delaware corporation ("Buyer"), located at 600 Mountain Avenue, Murray Hill, New Jersey 07974, the entire right, title and interest for the United States of America and its territorial possessions, and all foreign countries, jurisdictions and political entities of the world, including all rights of priority, in and to inventions disclosed in the patents, patent applications and inventive submissions identified on Schedule A, and in and to all Letters Patents of the United States and all foreign countries, jurisdictions and political entities of the world, which may or shall be granted on said inventions, or any parts thereof, or any divisional, continuing, reissue or other applications based in whole or in part thereon, and the right to recover for past infringement of the patents. Buyer hereby accepts said Assignment.

Sellers agree to execute all applications, amended specifications, deeds or other instruments, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries, jurisdictions and political entities of the world, to Buyer, and to vest and confirm in Buyer, its successors, assigns, legal representatives or nominees, the legal title to all such patents.

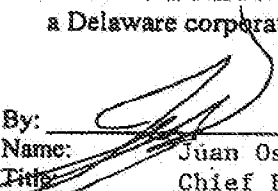

Sellers do hereby authorize and request the Commissioner of Patents and Trademarks of the United States Patent and Trademark Office and any other similarly competent official in any other countries, jurisdictions or political entities of the world, to issue such Letters Patent as shall be granted upon said inventions or applications based thereon to said Buyer, its successors, assigns legal representatives or nominees.
